**Abingdon Theological Companion to the Lectionary** Paul Scott Wilson, 2014-05-20 The *Abingdon Theological Companion to the Lectionary* begins with the conviction that Scripture speaks first and foremost to Christians now Its message engages Christian belief and action in the present day While informed by the best in current biblical studies its commentary on the Scripture passages of the Revised Common Lectionary focuses on the questions of Christian life in the world that church members bring with them to worship Each entry seeks to answer the essential questions what does this passage say about the Gospel How does it speak to my encounter with God in Christ and my calling as a Christian in the world This volume is conceived as a companion to biblical and lectionary resources that preachers regularly employ It showcases theological matters that arise out of both the biblical texts in the lectionary and the church seasons and special days

Preaching as Poetry Paul Scott Wilson, 2014-08-19 It is tempting for preachers in this digital age of plurality and diversity to offer quick sound bites and PowerPoint style presentations These tend to invite a yes or no response as in mathematical equations But if we are to reach Christians across the theological spectrum and invite non Christians to seriously consider our faith we must take a different approach What is needed is greater attention to poetry and images meant to communicate the beauty of the faith and the wonder and mystery of God in everyday life We must communicate the unity of our message of faith the divine as truth and justice and healing as expressions of God Preaching as poetry theopoetic preaching allows for the bold imagery of scripture and the gentle invitation of art Sermons can no longer always be neatly tied up perfectly linear with complete answers to every question In *Preaching as Poetry* Paul Scott Wilson teaches why this new approach is necessary today and demonstrates with multiple examples how it works in real sermons He skillfully guides the reader to incorporate the classical values of beauty goodness and truth in every sermon and in ways that connect with congregants and listeners today

*You Never Step into the Same Pulpit Twice* Ronald J. Allen, 2022-06-23 This volume develops an approach to preaching that brings together two important forces One is process theology and the other is a homiletic of conversation based on mutual critical correlation In this approach the preacher does not unilaterally announce the Word of God but is the leader of an exciting conversation involving the biblical text process theology the congregation and voices from the larger world The preacher seeks to help the congregation identify God s invitations towards inclusive well being and to imagine how to respond in ways that are

consistent with those invitations that promote inclusive well being The book begins with a crisp and clear summary of the worldview of process theology highlighting its distinctive views on how God operates in the world through invitation and on the interrelationship of all things The work then outlines an approach to biblical exegesis informed by process perspectives and sketches a method for bringing the biblical voice into dialogue with voices from tradition contemporary theology and the congregation and preacher The volume suggests shaping the sermon to honor process theology and conversation The volume concludes by noticing how perspectives from process and conversation help the preacher embody the sermon in engaging ways

**The Four Pages of the Sermon, Revised and Updated** Paul Scott Wilson, 2018-09-18 Doing justice to the complexity of the preaching task and the questions that underlie it author Paul Scott Wilson organizes both the preparation and the content of the sermon around its four pages Each page addresses a different theological and creative component of what happens in any sermon Page One presents the trouble or conflict that takes place in or that underscores the biblical text itself Page Two looks at similar conflict sin or brokenness in our own time Page Three returns to the Bible to identify where God is at work in or behind the text in other words to discover the good news Page Four points to God at work in our world particularly in relation to the situations described in Page Two This approach is about preaching the gospel in nearly any sermon form Wilson teaches the what why and how of sermon construction all rooted in a theology of the Word This completely revised edition guides readers through the sermon process step by step with the aim of composing sermons that challenge and provide hope by focusing on God more closely than on humans It has been largely rewritten to include an assessment of where preaching is today in light of propositional preaching the New Homiletic African American preaching the effect of the internet and use of technology A chapter on exegesis has been added plus new focus on the importance of preaching to a felt need the need for proclamation in addition to teaching and developing tools to ensure sermon excellence New sermon examples have been added along with a section that responds to critics and looks to the future

*Ways of the Word* Sally A. Brown, Luke A. Powery, 2016-05-19 Preaching and the discipline of preaching is at a crossroads The changing realities of church and theological education the diversity of our classrooms and our increasingly complex community contexts leave us in search of tools to help train a rising generation of preachers for a future whose contours are far from clear The questions are immense How to support preachers in contexts that are diverse religiously culturally and ethnically both inside and outside the church How to help students take varied contexts seriously as they are formed as leaders In *Ways of the Word* a dynamic team of master preachers brings much needed help Different in race gender age and tradition both Sally A Brown and Luke A Powery speak with one voice their belief that preaching is Spirit empowered event an embodied vocalized actively received here and now witness to the ongoing work of God in the world They aspire to help students and preachers alike to reflect on a journey of learning by doing They aim to help preachers to become more attuned to the Spirit more adept in preaching s component skills and more self aware about all that is at stake in proclaiming the redemptive work

of God in specific contexts      **Sermon Seeds - Year C** Kathryn Matthews Huey,2012-11-01 In the United Church of Christ we hope to not only preach God's extravagant welcome but we aim to provide help for sermon preparation for preachers of progressive churches Sermon Seeds Year C Inclusive Reflections for Preaching from the United Church of Christ offers the preacher tools to listen for the Still-speaking God Kathryn Matthews Huey offers scholarly and personal wisdom for your sermon preparation      *As quatro páginas do sermão* Paul Scott Wilson,2020-07-24 Pregação é tarefa simples e envolve uma série de considerações Ciente dos desafios da pregação Paul Scott Wilson oferece orientações preciosas para a preparação do sermão pelo método simples e extremamente útil que ele chama de quatro páginas Página 1 Apresenta o problema ou conflito enfrentado pelo autor bíblico e seu paralelo original Página 2 Analisa conflitos semelhantes em nosso próprio tempo Página 3 Redireciona nossa atenção bíblica para assim identificar como Deus estava em ação no contexto original do livro canônico Página 4 Aponta para a ação de Deus em nosso mundo hoje Esta edição ampliada e revisada guia os leitores através do processo de preparação do sermão com o objetivo de compor mensagens que desafiam e trazem esperança concentrando-se mais em Deus do que nos homens      **Sermon Treks** Ronald J.
