Obi, 2018-10-31 **Exalting God's Faithfulness** is written to remind Christians the meaning, importance, and implications of God's faithfulness. It seeks to sensitize and transform the Christian from living a rather dull, flat, and unappreciative life into thriving in a life of joyful appreciation, exuberance, and jubilation for God's role in our lives. David said in Psalm 108:5, "Be exalted, O God, above the heavens; let your glory be over all the earth." He recognized all through his life the importance of praising God in everything. **Exalting God's Faithfulness** is really living a life in a way that gives thanks to God for his goodness to us. Chapter 1 introduces readers to God's faithfulness and explains the meanings and ramifications of the act of exalting God for his faithfulness. Chapter 2 discusses God's faithfulness as our creator, father, and keeper. God's expressions of his faithfulness as our provider are discussed in chapter 3. Chapter 4 delves into the expressions of God as our helper and enabler. The

expressions of God as our forgiver and healer are discussed in chapter 5 Chapter 6 discusses how we should exalt God Chapter 7 is designed to introduce non Christians to the kingdom of God **Truth and Error** Zondervan,2016-09-06 This book is not only an introduction to the entire Zondervan Guide to Cults and Religious Movements series but also a quick reference guide to the groups and movements discussed in the series Truth and Error brings together in one volume the charts from the various guides that show how the groups and movements differ theologically from historic orthodox Christianity Each chart is introduced by the general editor Alan Gomes The books in the series that do not have comparison charts are introduced and summarized Each book in the series includes A concise introduction to the group or topic An overview of the group s or movement s theology in their own words A biblical response Tips for witnessing effectively to members of the group A bibliography with sources for further study Most books also include a comparison chart that shows the essential differences between biblical Christianity and the group The charts from these books are reproduced in Truth Error *Jesus, Teach Me how to Pray* Lynne Modranski,2011 **The Trouble With Christians** Jon Jaroszewski,2014-12-29 What if Jesus is smarter than we think What if we valued his words like we do other great literature What if we shrugged off shallow interpretations and looked for cohesive and purposeful insight from the mind of a master communicator Might we come to a deeper understanding of his vision for humanity This book attempts to do just that and shows us that the Sermon on the Mount is not just beautiful and profound it also remains controversial and revolutionary in ways we have forgotten *Nine Marks of a Healthy Church (4th Edition)* Mark Dever,2021-11-10 What Makes for a Healthy Church You may have read books on this topic before but not like this one Instead of an instruction manual for church growth this classic text points to basic biblical principles for assessing and strengthening the health of your church Whether you re a pastor a leader or an involved member of your congregation studying the nine marks of a healthy church will help you cultivate new life and well being within your own church for God s glory This revised edition includes two new chapters updated material on prayer missions evangelism and the gospel and a foreword by H B Charles Jr
