Awakened Dena Blossey, 2015-12-19 With the Rapture complete a dense stench of death hangs heavy in the air The cries of mourning family members haunt Morrigan as she learns that Daegan has sacrificed himself so she might live just as it had been written But with an unplanned sacrifice Daegan would soon find his way back to Morrigan allowing him the chance to be mortal once again Although his mortality would be lost to an unwritten chapter in his family's saga thus starting a search for answers to the dark truths of his family's line Death would once again knock on the doors of the DeBurgh and O Donague families leaving in its path much devastation and destruction How could there ever be a happily ever after when their hearts are being torn in two Awaken the truth

Dreamt Dena Blossey, 2013-05-25 When 17 year old Morrigan DeBurgh is awakened from a drug induced coma her father confesses that he and her mom consciously chose to have her admitted to a psychiatric hospital to have her memories taken from her through a form of memory washing After persuading her father to tell her the entire truth she learns that not only does she have an inherited gift of being a Seer but she is also capable of physically pulling things from her dreams and nightmares Upon their arrival home to Ridge Maine her father continues answering questions to help his daughter understand why he and her mom made the choices they had He gives her a box of memories explaining all of the earlier experiences that she had with her gift of precognition This Ghost Box contains newspaper clippings and other trinkets that explain each situation that she had been part of including a mask that she had pulled from a dream With help from her twin brother Finn Morrigan begins to understand that these precognitions weren't always positive she had the blood of at least two men on her hands and on one occasion she actually pulled something quite evil and foul from a nightmare that almost took the life of her brother With the start of their final year at Ridge Valley Preparatory High School approaching Morrigan needed her roommate and best friend Sadie Carmichael now more than ever Other than her family she was the only person that would accept Morrigan for who she was and would look at her as normal rather than the monster that she felt she was When Sadie flew in from New York City a

couple of weeks prior to the start of school Morrigan laid out all of the truths that she had learned over her summer holiday leaving her feeling empty and void Sadie vowed to help Morrigan understand her new abilities Morrigan annoyed by her dreamless sleep was thrilled to see a reoccurring hazy colorless vision of a familiar face It was a boy more than likely her age He had dark wavy hair vibrant eyes pure skin and a perfect smile As he had in her past visions he held out a hand to her helping her but from what she did not know At the conclusion of the first week of school the students were to celebrate their first Friday Festivity back on campus with a traditional bonfire Just before the bell tolled calling the students back to their dorms dark clouds rolled through the clear night sky covering the light of the full moon bringing with it swirls of gusting wind carrying debris from the field and ash from the fire Students were being thrown around gasping for breath screaming for help Morrigan was knocked to the ground pinned to the cold earth unable to move Once she realized who had saved her from the storm she was more than intrigued to know who this boy was and why he was so familiar to her Instant chemistry was had between Morrigan and the boy Wanting desperately to tell her the truth as to who he was he asks her to dream about him Without the help of her sleep medication she did as she was asked Her beautiful dream quickly turned into a haunting nightmare as she was attacked by Stitches leaving her badly wounded they haunted her sleep once again These were the same monsters that almost killed her brother Finn a couple of years earlier Briefly the boy told her of his true identity in order to heal her of the pain that she was suffering As her guardian he was bonded to her 200 years before by her ancestor Conrad DeBurgh Conrad sent this guardian to protect her from the evil that haunted him the same evil that took him to his grave Confused by yet another truth Morrigan has no idea why she should believe him Already in a dark place she chooses to live in silence as she processes all that she has learned This proves short lived but only because Morrigan needs to understand why this boy was sent to find and protect her The bigger question is what does she need protection from
