The Mindful Path to Self-Compassion Christopher K. Germer, 2009-09-29 This wise eloquent and practical book illuminates the nature of self compassion and offers easy to follow scientifically grounded steps for incorporating it into daily life Vivid examples and innovative exercises make this an ideal resource for readers new to mindfulness **A Just World** Heon Kim, 2014-09-26 *A Just World Multi disciplinary Perspectives on Social Justice* is a multi disciplinary analysis of social justice intended to foster scholarly discussion on a just world The contributors to this volume maintain that justice in society is a most pressing concern in the world today and discussion about it must be beyond theory practical and multi disciplinary While dialogue concerning social justice occurs in many academic disciplines it can be neither solely an issue of nor fully understood by one discipline Its complex involvement in all human social life necessitates a multi disciplinary approach To this end this volume offers an inter disciplinary insight into what social justice means today and how it can be achieved to create a more just world Eight scholars representing different disciplines shed light on various aspects of social justice today from their unique perspectives the humanities the social sciences the business world and the field of education Without losing their unique approaches to social justice they are inclusive in this collection These contributors directly address problems facing our societies today from a broad spectrum of capitalist neo liberal world order and with specific cases including the Arab Spring and the Occupy Movement In addressing the problems the chapters in this volume also reveal deep seated causes of the problems and thereby identify the nature and characteristics of social justice in a contemporary context providing considerable insight into long term sustainable solutions toward more just societies and a just world *A Just World Multi disciplinary Perspectives on Social Justice* is unique in that it provides the most recent discussion on the timely topic of social justice Given the matchless credentials of the contributors the editor is confident that this volume will be received as nothing short of a landmark in multi disciplinary discussion on social justice It is destined to also make a considerable impact in charting new directions for future scholarly work on justice The sweeping global problem of injustice has resulted in a considerable number of studies however there has been little done to examine justice from a multi disciplinary perspective and this volume fills that void particularly as it presents common features of today s problems and discusses global social justice While this volume provides discourse by specialists in justice it will attract a readership beyond academia and will catch the attention of anyone who is interested in justice and who seeks a just world □□□□ □□ □□□□ □□ □□□□ □□ □, 2018-08-17 40 *mindfulness self compassion* 1970 **Yoga Journal** , 1998-11 For more than 30 years *Yoga Journal* has been helping readers achieve the balance and well being they seek in their everyday lives With every issue *Yoga Journal* strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty *Tricycle* , 1998 **Shambhala Sun** , 2000 **The Complete Guide to Buddhist America** Don Morreale, 1998 This

A Little Book of Love Moh Hardin, 2011-12-27 In the Buddhist tradition love is not just a feeling but a way of being present with ourselves and others. This book offers practical advice on how to cultivate love, how to deepen it, and how to let it flower in our lives. We may feel great love for our partners, our children, and our friends, but how do we put that love into action so that others are nurtured by it? And what about loving ourselves? How can we develop greater self-acceptance and self-compassion? Meditation teacher Moh Hardin offers key insights and practices from the Buddhist tradition for deepening our relationships and finding true fulfillment in our lives. Topics include: Simple Buddhist practices for awakening the heart; How and why to become your own best friend; Finding freedom from destructive patterns in relationships; Listening and speaking with love; Loving and letting go. Hardin ultimately introduces the inspiring idea of becoming a bodhisattva warrior, a person who commits to living openheartedly and working to ease the suffering of the world. Written with unusual clarity, simplicity, and warmth, this little book contains a wealth of wisdom and guidance that could change your life.

Examining the Practice of School Administration in Canada Helen D. Armstrong, 2005 Examining the Practice of School Administration in Canada is a practice-oriented edited collection that is relevant for current and aspiring school administrators and for professors and students of educational administration. The text has been divided into three sections: under roles, functions, and structures. In the first section, the authors look particularly at the roles of the superintendent, principal, and vice principal.
