 Awesome Power of Blending Medicine and Religion for Healing* Jerry Old MD, 2017-07-05 Do ancient religious practices help
 in healing today Is prayer of benefit If so what kind of prayers What about laying on of hands or casting out demons Over
 three fourths of patients entering a hospital wish that their health care providers would consider their spiritual needs as part
 of their medical care Yet most patients along with their health care professionals struggle to understand how to use this
 spiritual side in healing Modern healthcare is based upon science and often sees religion as getting in the way of healing
 However when humans combine our religious and spiritual nature with the science of modern medicine we have the most
 powerful tool for healing the world has ever known This book dares to explore this very personal aspect of human life that
 has had very little written about it the private spiritual beliefs that people share with their doctors spiritual advisors and
 families when they are ill injured or frightened about their health Here are the true stories of how people have used their
