

In this meaty biography, published to mark the tenth anniversary of Ayrton Senna's death, Christopher Hilton marries and updates four of his earlier titles about the legendary driver into one comprehensive volume stretching to 464 pages. He chronicles Senna's entire story, from the wealthy childhood in Brazil to his fatal crash in 1994, and the aftermath that still reverberates today. This is a fast-moving and compelling account of an extraordinary life that will appeal to the wider public as well as to Senna fans.
