Khan, Rajendra Baikady**

Accounting Theory 7th Edition Godfrey:

Accounting Theory Jayne Godfrey, Allan Hodgson, Jane Hamilton, Ann Tarca, Scott Holmes, 2010 Accounting Theory 7e is the new edition of this widely respected accounting theory textbook. The new edition has been updated in accordance with ongoing developments in the IASB Framework and reporting and disclosure requirements as a consequence of international harmonisation of accounting standards. The strength of this textbook has always been the balanced approach taken to explain and discuss alternative theories. The new edition continues with this tradition and seeks to make a clearer connection for students studying accounting theory that accounting theory is important and relevant. The Framework of the International Financial Reporting Standards (IFRS) has required significant consolidation and rewriting of chapters. More than ever the focus of this new edition is to provide students with an understanding of the Framework and how accounting information can be interpreted, disclosed and reported in practice. The new edition continues to present the latest research and developments in accounting theory whilst maintaining an objective perspective.

Accountancy and Social Responsibility Živko Bergant, 2021-08-09

Accountancy and Social Responsibility encompasses much more than is normally considered, especially from a social responsibility point of view. This book brings fresh ideas and an innovative approach to accountancy theory and practice, as well as critical views about professional thinking in accountancy. The reader will find advanced approaches regarding business objectives with social responsibility principles. A new role of accountancy is founded for a sustainable society. The responsibility of individuals is emphasized through behavioural analysis. The book has an interdisciplinary character and will be interesting for students, doctoral students, academics, and practitioners, as well. The real thread of the book is the risk and responses to the feelings of risk in organizations and also of individuals. On this basis, a new role and a new structure of accountancy is offered.
