Ace Of Hearts A Journey To Embracing The Asexual Identity:

Sexuality and Citizenship Diane Richardson, 2017-09-18 Sexual citizenship has become a key concept in the social sciences. It describes the rights and responsibilities of citizens in sexual and intimate life including debates over equal marriage and women's human rights as well as shaping thinking about citizenship more generally. But what does it mean in a continually changing political landscape of gender and sexuality? In this timely intervention Diane Richardson examines the normative underpinnings and varied critiques of sexual citizenship asking what they mean for its future conceptual and empirical development as well as for political activism. Clearly written, the book shows how the field of sexuality and citizenship connects to a range of important areas of debate including understandings of nationalism, identity, neoliberalism, equality, governmentality, individualization, colonialism, human rights, globalization, and economic justice. Ultimately, this book calls for a critical rethink of sexual citizenship. Illustrating her argument with examples drawn from across the globe, Richardson contends that this is essential if scholars want to understand the sexual politics that made the field of sexuality and citizenship studies what it is today and to enable future analyses of the sexual inequalities that continue to mark the global order.

Ace of Hearts Caryn Purdy, 2015-03-31 Asexuality, an orientation where someone does not experience sexual attraction, is widely misunderstood or worse, ignored. Until it becomes common knowledge that asexuality exists as a sexual orientation, then people who DO relate on the spectrum will continue to struggle internally, feeling alone, broken, or flawed, and externally in relationships and life in general. *The Lonely Ace of Hearts* begins with a general introduction about asexuality as an orientation, debunking the most common myths, and then guides readers through the most common struggles: Defining and Understanding Your Identity, Achieving Self-Acceptance, Coming Out to Friends/Family, Or Not Dealing with Loneliness, Love, Dating, Sex, and Relationships. This is not about dealing with life as an asexual; this is about ultimately embracing the Asexual Identity.
