Marion County in Vintage Postcards Billy Frank Morrison, 2005. Carved out of Native American land in 1817, Marion County, Tennessee, has maintained its primitive beauty. The county grew with towns such as Monteagle, Martin Springs, Sequatchie, and South Pittsburg springing up on the banks of the Tennessee River throughout the Sequatchie Valley and atop the Cumberland Mountains. Today it is home to nearly 30,000 people. In this pictorial history, Marion County's colorful and fascinating past is illustrated through over 200 vintage postcards drawn from the author's personal collection. This book was the culmination of a long-standing interest in postcards and Marion County as well as a deep kinship with its people.

At the Hands of Persons Unknown Philip Dray, 2007-12-18. WINNER OF THE SOUTHERN BOOK CRITICS CIRCLE AWARD FOR NONFICTION. A landmark work of unflinching scholarship. The New York Times. This extraordinary account of lynching in America by acclaimed civil rights historian Philip Dray shines a clear bright light on American history's darkest stain, illuminating its causes, perpetrators, apologists, and victims. Philip Dray also tells the story of the men and women who led the long and difficult fight to expose and eradicate lynching, including Ida B. Wells, James Weldon Johnson, Walter White, and W. E. B. Du Bois. If lynching is emblematic of what is worst about America, their fight may stand for what is best: the commitment to justice and fairness and the conviction that one individual's sense of right can suffice to defy the gravest of wrongs. This landmark book follows the trajectory of both forces over American history and makes lynching's legacy belong to us all. Praise for *At the Hands of Persons Unknown*. In this history of lynching in the post-Reconstruction South, the most comprehensive of its kind, the author has written what amounts to a Black Book of American race relations. The New Yorker. A powerfully written, admirably perceptive synthesis of the vast literature on lynching. It is the most comprehensive social history of this shameful subject in almost seventy years and should be recognized as a major addition to the bibliography of American race relations. David Levering Lewis. An important and courageous book, well written, meticulously researched, and carefully argued. The Boston Globe. You don't really know what lynching was until you read Dray's ghastly accounts of public butchery and official complicity. Time.
