Arab Spring And Arab Women Challenges And Opportunities Routledge International Handbooks:

Arab Spring and Arab Women Muhamad Olimat, 2013-11-26 This volume examines the role of Arab women in Arab Spring and their contribution to the ongoing process of change sweeping the region The book begins with an examination of the process of democratization and its impediments in the Arab World since the Second World War It then looks at the conditions that led to the upsurge of the so called Arab Spring Finally it underscores women's role as participants organizers leaders but also as victims The main thesis of the book is that while Arab women were an integral part of the revolutionary efforts within the Arab Spring paradigm they did not benefit from their sacrifices Although they continue to be part of the process of change their gains rights and scope for participation are still limited If the expansion of women's participation and the scope of their rights do not seem to be a priority for revolutionary forces women have made remarkable achievements especially in some Arab Spring countries such as Yemen and Libya The book includes case studies of some Arab Spring countries and other countries influenced by developments Egypt Bahrain Kuwait Libya Yemen Algeria Jordan Morocco and Saudi Arabia It calls on revolutionary and reformist forces to give special attention to issues related to Arab women as they are an indispensable pillar in the process of reform development peace and stability in the Middle East *Arab Spring and Arab Women* Muhamad Olimat, 2014 Discusses the role of Arab women in the Arab Spring and their contribution to the process of change in the region Includes an examination of the process of democratization and the causes of the Arab Spring in addition to case studies from Arab Spring countries Provided by publisher Routledge Handbook on Women in the Middle East Suad Joseph, Zeina Zaatari, 2022-12-30 The Routledge Handbook on Women in the Middle East provides an overview of the key historical social economic political religious and cultural issues which have shaped the conditions and status of women in the region The book is divided into eleven thematic sections providing a comprehensive guide to understanding the current and historical contexts of women in the Middle East each giving ground breaking insights into various aspects of women's movements The importance of historical context including pre Islamic through post colonial histories The importance of politics and the state in understanding women in the ME Women's roles in political and social movements The impacts of the formal and informal economies and education on women of the region Women's spaces and the creation of publics and counterpublics The effects of war displacement and other forms of gendered violence Women family and the state Discourses and practices of religion Women and health practices Bodies and sexualities Women and sites of cultural production A unique overview of cutting edge research in the key arenas of pre Islamic to post colonial histories this Handbook will affect the way future generations of scholars engage with and add to the vast repository of socio political studies of the Middle East It will thus be of interest to researchers in gender studies women's studies pre Islamic and post colonial studies feminist studies and socio political and socio economic studies Routledge Handbook of Mediterranean Politics Richard Gillespie, Frédéric Volpi, 2017-08-14 The Mediterranean space defined by a major sea a large number of littoral countries and to some extent

their hinterlands is at the same time an interface between Europe Africa and Asia This brings complex challenges in terms of achieving peace and stability Recently it has received intense international attention through the internal destructiveness and spill over from conflicts primarily those waged in Libya Syria and more remotely Iraq This Handbook provides an overview of the political processes that shape the Mediterranean region in the contemporary context It explores the issues of crucial importance to Mediterranean dynamics through a series of analytical sections that guide the reader towards a comprehensive understanding of the main regional interactions and trends The Handbook explores the complex historical formation of the contemporary Mediterranean geopolitical perspectives issues around peace and conflict the political economy of the region the role of non state actors and social movements societal and cultural trends The wide range of contributions from many of the leading academic experts on the region offers not only insights into the debates and processes that structure each theme but also key pointers for a more general understanding of how distinct political economic social and cultural dynamics interact across the region It will therefore be a key resource for policy makers and students and scholars of Mediterranean politics and international relations

Discourses of the Arab Revolutions in Media and Politics Stefanie Ullmann, 2021-08-23 Drawing on approaches from critical discourse analysis corpus linguistics and cognitive linguistics this book critically examines metaphorical language used in global media coverage and political statements on the events of the Arab Spring The volume begins by summarising key events of the Arab Spring tracing the development of protests from Tunisia and Egypt to Libya and Syria as well as the wider impact on the region Ullmann builds on this foundation to lay out the theoretical frameworks to be applied to an extensive corpus of natural language and actual discourse highlighting Western Middle Eastern and North African perspectives which integrate theoretical work on metaphor blending theory and semantic prosodies Methodological considerations on corpus selection and different conceptualisations of politics and mass media generally and across countries are discussed with the final chapters outlining the overarching themes across metaphors in the corpus and how these metaphors were ultimately framed in the mass media and political landscape This book will be of particular interest to students and scholars interested in critical discourse analysis language and politics and corpus linguistics

Routledge Handbook of the Arab Spring Larbi Sadiki, 2014-12-17 The self immolation of Mohammed Bouazizi in Tunisia in December 2010 heralded the arrival of the Arab Spring a startling yet not unprecedented era of profound social and political upheaval The meme of the Arab Spring is characterised by bottom up change or the lack thereof and its effects are still unfurling today The Routledge Handbook of the Arab Spring seeks to provide a departure point for ongoing discussion of a fluid phenomenon on a plethora of topics including Contexts and contests of democratisation The sweep of the Arab Spring Egypt Women and the Arab Spring Agents of change and the technology of protest Impact of the Arab Spring in the wider Middle East and further afield Collating a wide array of viewpoints specialisms biases and degrees of proximity and distance from events that shook the Arab world to its core the

Handbook is written with the reader in mind to provide students practitioners diplomats policy makers and lay readers with contextualization and knowledge and to set the stage for further discussion of the Arab Spring

The Contemporary Islamic Governed State Joseph J. Kaminski, 2017-08-21 This book offers a normative reconceptualization of a modern Islamic governed state First Joseph Kaminski surveys the historical context of the trajectory of Islamic thought and offers a unique discursive framework for reconceptualizing an Islamic governed state that rejects secular Enlightenment liberalism and instead is heavily grounded in Ancient Greek ideals of politics and political leadership Despite heavily borrowing from Greek thought the model offered remains firmly rooted in a Shari ah based discursive ontological framework The volume explores topics of bureaucracy law democracy women in politics and economic justice Further this volume presents case studies from Turkey Egypt Tunisia and Malaysia and utilizes the presented theoretical framework as a lens for analysis

The World Community and the Arab Spring Cenap Çakmak, Ali Onur Özçelik, 2018-07-26 This edited volume offers an understanding of how the international community as a collection of significant actors including major states and intergovernmental institutions has responded to the important political and social development of the Arab Spring Contributors analyze the response by international organizations UN EU NATO big powers US Russia China UK regional powers Turkey Iran Israel Saudi Arabia and small powers Kuwait Qatar The book thus makes a sound contribution to the existing literature on the Arab Spring in form of foreign policy analysis and provides an overview of the current shape and outlook of global politics

Women of the Midan Sherine Hafez, 2019-04-03 An exploration of gender the Arab Spring and women s experiences of revolution including firsthand accounts In *Women of the Midan* Sherine Hafez demonstrates how women were a central part of revolutionary process of the Arab Spring Women not only protested in the streets of Cairo they demanded democracy social justice and renegotiation of a variety of sociocultural structures Women s resistance to state control Islamism neoliberal market changes the military establishment and patriarchal systems forged new paths of dissent and transformation Through firsthand accounts of women who participated in the revolution Hafez illustrates how the gendered body signifies collective action and the revolutionary narrative Using the concept of rememory Hafez shows how the body is inseparably linked to the trauma of the revolutionary struggle While delving into the complex weave of public space government control masculinity and religious and cultural norms Hafez sheds light on women s relationship to the state in the Arab world today and how the state in turn shapes individuals and marks gendered bodies

Routledge Handbook of Global Citizenship Studies Engin Isin, Peter Nyers, 2014-06-27 Citizenship studies is at a crucial moment of globalizing as a field What used to be mainly a European North American and Australian field has now expanded to major contributions featuring scholarship from Latin America Asia Africa and the Middle East The Routledge Handbook of Global Citizenship Studies takes into account this globalizing moment At the same time it considers how the global perspective exposes the strains and discords in the concept of citizenship as it is understood today With over fifty contributions from

international interdisciplinary experts the Handbook features state of the art analyses of the practices and enactments of citizenship across broad continental regions Africas Americas Asias and Europes as well as deterritorialized forms of citizenship Diasporicity and Indigeneity Through these analyses the Handbook provides a deeper understanding of citizenship in both empirical and theoretical terms This volume sets a new agenda for scholarly investigations of citizenship Its wide ranging contributions and clear accessible style make it essential reading for students and scholars working on citizenship issues across the humanities and social sciences
