## **Astral Light From Ignorance To Over Standing:**

**Astral Light** Jeffrey Naish, 2013-04 In our ever changing fast paced society we've created most people are so caught up in the unconscious stream of progress they've either forgotten or refused to look back The programmed values and striving to accumulate wealth have many in an empty hole emotionally and monetarily Walls are constantly being built within the minds of anyone turning on their television This book tears down all obstacles and any divides in mankind's way calling on every man and woman to search for the truth and to live for love Before the illusion of materiality there was humanity There is no left right and no black white only universal love and **ASTRAL LIGHT** The astral light: an attempted exposition of certain occult principles in nature; with some remarks upon modern spiritism Nizida (pseud.), 1889 Light, 1927 **The Astrological and Numerological Keys to The Secret Doctrine, Volume 2** Bodo Balsys, 2021-02-01 This volume continues with a detailed explanation of the nature of the ageless wisdom and its codification via astrological and numerological means It starts with happenings upon the higher mental plane and then the process of the materialisation of phenomena right through to the dense physical plane The subjective happenings underlying the formation of a world sphere are described as well as the great Lives involved The focus is upon the genesis of our earth and of the incarnation of humanity upon it Much more information is given concerning the activities of the twelve Creative Hierarchies than previously plus the mode of the manifestation of phenomena as it condenses from the subtle planes of perception to appear as dense substance Our empirical scientists begin their investigations here hence omitting the vast subjective processes and associated laws causing objective phenomena Blavatsky's genius is revealed in her masterful incorporation of the vast esoteric philosophy via the most economic means where each word chosen produces an astounding revelatory vision once properly decoded Those not familiar with this philosophy will be astounded by its overall completeness and breadth of detail They will be led to an ocean of discovery as to what actually constitutes the nature of the content of an enlightened Mind Hopefully this will lead many to seek the way to likewise become enlightened beings *Madame Blavatsky and coevals on how the "Light on the Path" was written* Mabel Collins, Helena Petrovna Blavatsky, William Quan Judge, Archibald Keightley, Bertram Keightley, Boris de Zirkoff, 2023-06-10 *Light on the Path* is a treatise written for the personal use of those who are ignorant of the Eastern Wisdom and who desire to enter within Its influence authored by Mabel Collins nom de plume of Kenningale R Cook Warning by Boris de Zirkoff The use of the physical senses as a stepping stone to spirituality is fraught with danger and disappointment H P Blavatsky defends the Cause of Truth and its detractors The sparkle of that precious jewel *Light on the Path* has been dimmed by an indelible dark stain Madame Blavatsky is the origin and fountainhead of all Esoteric Knowledge and has the means and the necessary knowledge to teach Mabel Collins may have been studying Madame Blavatsky for a time but she never studied under her as she claims to have done See how those whom god wishes to destroy he first deprives of reason Firstly out of the blue Dr Coues proudly proclaimed himself Perpetual President of the Esoteric Theosophical

Society of America He then began casting slurs upon Madame Blavatsky and upon the Section of which she is the Head in order to destroy one through the other Secondly for a woman to confess to the world that she has been deliberately deceiving it for years simply for the pleasure of fathering the cause of a deception upon a supposed enemy is a psychic riddle in itself While the latter publicly proclaimed her own untruthfulness in order to slander a hated enemy the former jumped at the opportunity to gratify his wounded vanity at the cost of breaking the pledge and his word of honour to the Theosophical Society which he took upon joining it
