A State at Any Cost Tom Segev, 2019-09-24 2019 National Jewish Book Award Finalist A fascinating biography a masterly portrait of a titanic yet unfulfilled man this is a gripping study of power and the loneliness of power The Economist As the founder of Israel David Ben Gurion long ago secured his reputation as a leading figure of the twentieth century Determined from an early age to create a Jewish state he thereupon took control of the Zionist movement declared Israel s independence and navigated his country through wars controversies and remarkable achievements And yet Ben Gurion remains an enigma he could be driven and imperious or quizzical and confounding In this definitive biography Israel s leading journalist historian Tom Segev uses large amounts of previously unreleased archival material to give an original nuanced account transcending the myths and legends that have accreted around the man Segev s probing biography ranges from the villages of Poland to Manhattan libraries London hotels and the hills of Palestine and shows us Ben Gurion s relentless activity across six decades Along the way Segev reveals for the first time Ben Gurion s secret negotiations with the British on the eve of Israel s independence his willingness to countenance the forced transfer of Arab neighbors his relative indifference to Jerusalem and his occasional nutty moments from UFO sightings to plans for Israel to acquire territory in South America Segev also reveals that Ben Gurion first heard about the Holocaust from a Palestinian Arab acquaintance and explores his tempestuous private life including the testimony of four former lovers The result is a full and startling portrait of a man who sought a state at any cost at times through risk taking violence and

unpredictability and at other times through compromise moderation and reason Segev's Ben Gurion is neither a saint nor a villain but rather a historical actor who belongs in the company of Lenin or Churchill a twentieth century leader whose iron will and complex temperament left a complex and contentious legacy that we still reckon with today *Devil in the Details* GEG,2023-01-24 When Koi is handed a missing persons case she finds twelve missing young women all from southern states the year 2010 She asked an old detective friend from the New Orleans Police Homicide unit Sarg if she can enlist the help of his partner Jordan Matthews was a former football player at LSU Koi asks if he can interview a couple of professors of a student who attended LSU and went missing at the same time as Jordan Jordan's case a murder case becomes entangled with the FBI as the agency wants to arrest the Mexican drug lord whose American girlfriend ordered the hit on Jordan's victim Jordan and Koi become lovers working both cases together With the help of an eccentric FBI hacker Liz they find the real clues that leads them to an abandon cemetery **The Power of Fate** Gisele G.
