Athenaze M. G. Balme, Gilbert Lawall, James Morwood, 2016 The aim of the *Athenaze* course is to teach you to read ancient Greek as quickly thoroughly and enjoyably as possible and to do so within the context of ancient Greek culture Grammar is introduced in small doses and should be reviewed constantly The readings in the early chapters are simple in content and grammatical structure At the beginning of each section of the narrative is a picture with a caption in Greek from the picture you should be able to deduce the meaning of the Greek caption Each of these captions has been carefully written to include and reinforce a basic grammatical feature to be learned in that chapter Every chapter will also include passages from a wide variety of Classical Greek authors and from the Gospels of Luke and John in the Christian New Testament You will thus be reading authentic Greek from the very beginning of the course and gaining access to the wisdom and style of writing of the ancient Greeks and writers of the Gospels
