

TERRY SMYTH
**AUSTRALIAN
CONFEDERATES**

HOW 42 AUSTRALIANS JOINED
THE REBEL CAUSE AND FIRED THE
LAST SHOT IN THE AMERICAN CIVIL WAR

Australian Confederates Terry Smyth

Daniel Fazio

Australian Confederates Terry Smyth:

Australian Confederates Terry Smyth, 2015-08-03 IN the summer of 1865 when a Confederate warship sailed into the port of Melbourne 42 men secretly enlisted to fight for the South in the American Civil War On the notorious raider Shenandoah scourge of the Yankee merchant fleet they sailed off to adventure and controversy and fired the last shot of the war When the Shenandoah a sleek steamer sailer and one of the fastest ships afloat dropped anchor in Hobsons Bay the fledgling colony of Victoria was taken by surprise and the Confederates had no way of knowing whether they would be hailed as heroes or hanged as pirates To the rebels surprise Melbourne took them to its heart Victorians came in their thousands to visit the ship and its officers were feted as celebrities They were wine and dined by the city's elite attended a ball held in their honour mixed it with Yankee sympathisers in a barroom brawl and charmed the ladies of Melbourne and Ballarat with their grand Southern manners Meanwhile in defiance of the law against foreign warships recruiting in a neutral port 42 men were smuggled aboard in dead of night and once at sea signed up to join the Confederate Navy For Australia not yet a nation 1865 was a watershed year in an age of gold rushes bushrangers disputes between rival colonies and fears of foreign invasion For war torn America it was the turning point in the deadliest conflict in that nation's history After the defeat at Gettysburg the tide had turned against the Confederacy but the South was determined to fight on and in the war at sea the Shenandoah was the last best hope The Shenandoah's mission was to damage the North's economy by attacking its commercial fleet and under the command of the enigmatic Captain James Waddell the raider went on to wipe out almost the entire New England whaling fleet On learning that Robert E Lee had surrendered Waddell refused to believe the cause was lost The Shenandoah continued harrying the Yankee fleet and fired the last shot of the war after capturing burning and ransoming 38 Union ships and taking more than 1 000 prisoners On accepting at last that the war had ended the Confederates sailed around the world to England pursued as pirates by Union warships and surrendered to the neutral British Some 120 Australians are known to have fought in the American Civil War on both sides Looking back it is an uncomfortable thought that Australians could sympathise with a society based on the obscenity of slavery yet while officialdom in the colonies backed the Union and British neutrality public opinion generally favoured the South The gold rush era during which the Shenandoah arrived tended to glorify rebel causes and the Southerners had no difficulty finding willing recruits Of the 42 men who signed on in Melbourne as petty officers seamen and marines some returned home others dropped out of sight and one died aboard ship the last man to die in the service of the Confederacy This is their story

Korea and the Evolution of the American-Australian Relationship, 1947-53 Daniel Fazio, 2023-09-29 Fazio examines the significance of the US Australian Korean engagement 1947-53 in the evolution of the relationship between the two nations in the formative years of the Cold War In the aftermath of World War Two divergent American and Australian strategic and security interests converged and then aligned on the Korean peninsula Fazio argues that the interactions

between key US and Australian officials throughout their Korean engagement were crucial to shaping the nature of the evolving relationship and the making of the alliance between the two nations The diplomacy of Percy Spender John Foster Dulles and James Plimsoll was particularly crucial He demonstrates that the American evaluation of the geo strategic significance of Korea was a significant factor in the making of the ANZUS alliance and events in Korea remained central to the evolving US Australian relationship Their Korean engagement showed the US and Australia had similar and overlapping rather than identical interests and that their relationship was much more nuanced and problematic than commonly perceived Fazio challenges the Australian mythology on the origins of the ANZUS Treaty and presents a cautionary insight into the limits of Australia s capacity to influence US policy to benefit its interests An insightful read for diplomatic historians providing greater depth to understanding the broader historical context of the trajectory of the US Australian relationship and alliance since the beginning of the Cold War

Back to the '30s? Jeremy Rayner, Susan Falls, George Souvlis, Taylor C. Nelms, 2020-11-19 The essays in this volume address the question what does it mean to understand the contemporary moment in light of the 1930s In the aftermath of the worst economic crisis since the Great Depression and facing a dramatic rise of right wing authoritarian politics across the globe the events of the 1930s have acquired a renewed relevance Contributions from a diverse interdisciplinary group of scholars address the relationship between these historical moments in various geographical contexts from Asia Pacific to Europe to the Americas while probing an array of thematic questions the meaning of populism and fascism the contradictions of constitutional liberalism and militant democracy long cycles and crisis tendencies in capitalism the gendering and racialization of right wing movements and the cultural and class politics of emancipatory struggles Uncovering continuity as well as change and repetition in the midst of transition Back to the 30s enriches our ability to use the past to evaluate the challenges dangers and promises of the present

Denny Day Terry Smyth, 2016-06-27 Captain Edward Denny Day the only law from the Big River to the sea was Australia s greatest lawman yet few have heard of him This is his story Once there was a wilderness Australia s frontier a dangerous and unforgiving place where outlaws ruled the roads and killers were hailed as heroes It was here in 1838 that one man s uncompromising sense of justice changed history and shocked the world Denny Day was a vicar s son from Ireland A member of the Anglo Irish ruling class as a young man Day joined the British Army before resigning to seek his fortune in New South Wales There he accepted the most challenging role in the young colony keeping the peace on the frontier Denny Day s abiding legacy is the capture of the perpetrators of the Myall Creek Massacre the most infamous mass murder in Australian history and the first time white men were convicted of the murder of Aborigines Yet Day won no praise for bringing to justice the killers of 28 innocent men women and children at Myall Creek Rather he was scorned and shunned fiercely attacked by the press by powerful landowners who hired the colony s top lawyers to defend the killers and by the general public The 11 men tracked down and arrested by Day faced two sensational trials and seven of them were eventually found guilty of murder and hanged The case

sparked an international outcry resulting in stricter government policies protecting the rights of Indigenous peoples There are many colorful characters both heroes and villains in Denny Day s story inspirational frontier women outlaws captured in a desperate firefight brave and wily Aboriginal resistance leaders gormless colonial officials privileged English nobles and persecuted Irish immigrants convicts and freemen and for good measure an American pirate Denny Day was commended for bravery during his lifetime but only in regards to taming the frontier settlements Even in his obituary Myall Creek is not mentioned **Settlers of a Sunburnt Land** A. Roger Smyth,1982 *Papers of Terry Smith* Terence Edwin Smith,1975 MS Acc03 043 comprises correspondence minutes conference papers academic papers brochures and cuttings The files pertain to Terry Smith s activities relating to the visual arts in Australia and internationally Organisations documented include the Art Association of Australia Australian Association for Tertiary Art and Design Educators and the Australian National Commission for Unesco There are also papers relating to Grove s The dictionary of art 1996 3 crates Terry Smith Terry Smith,

The Enigmatic Realm of **Australian Confederates Terry Smyth**: Unleashing the Language is Inner Magic
