Authorpreneurship Sharon C Jenkins Ma, Sharon Jenkins, 2014-09 What does it take to become a successful author in today's publishing world? It's not enough to write a powerful book; today's author must understand and leverage the business side of writing. *Authorpreneurship: The Business Start Up Manual for Authors* by Sharon Jenkins takes the aspiring writer from curiosity to career, combining both sides of publishing: author and entrepreneur, to empower writers with direction, publishing options, marketing solutions, and business savvy to grow their career. *Christian Authorpreneurship: Mastering the Business of Writing* Sharon Jenkins, 2015-04-27 So God told you to write a book, so now what? Each chapter ends with an activity that reinforces what you've learned in the preceding chapter to ensure that you are ready for manuscript completion. *Christian Authorpreneurship: Mastering the Business of Writing* keeps your mission focused on your purpose-driven writing project and addresses such topics as time management, financing your book project, discovering your publishing personality, and how to write with a God resolve in mind. This book was specifically designed for Christian authors who desire excellence in their writing ministry while embracing their marketplace assignment to handle the business side of writing throughout the life of their book project.
