Authorship In The Long Eighteenth Century:

Authorship in the Long Eighteenth Century Dustin Griffin, 2013-12-11 This book deals with changing conditions and conceptions of authorship in the long eighteenth century a period often said to have witnessed the birth of the modern author It focuses not on authorial self presentation or self revelation but on an author's interactions with booksellers collaborators rivals correspondents patrons and audiences Challenging older accounts of the development of authorship in the period as well as newer claims about the public sphere and the professional writer it engages with recent work on print culture and the history of the book Methodologically eclectic it moves from close readings to strategic contextualization The book is organized both chronologically and topically Early chapters deal with writers notably Milton and Dryden at the beginning of the long eighteenth century and later chapters focus more on writers among them Johnson Gray and Gibbon toward its end Looking beyond the traditional canon it considers a number of little known or little studied writers including Richard Bentley Thomas Birch William Oldys James Ralph and Thomas Ruddiman Some of the essays are organized around a single writer but most deal with a broad topic literary collaboration literary careers the republic of letters the alleged rise of the professional writer and the rather different figure of the author by profession Published by University of Delaware Press Distributed worldwide by Rutgers University Press

Authorship in the Long Eighteenth Century Dustin Griffin, 2013-12-11 This book deals with changing conditions and conceptions of authorship in the long eighteenth century a period said to have witnessed the birth of the modern author Challenging claims about the public sphere and the professional writer it engages with recent work on print culture and the history of the book and takes up such under treated topics as the forms of literary careers and the persistence of the Renaissance republic of letters into the age of authors

Fashioning Authorship in the Long Eighteenth Century Gerald Egan, 2017-01-10 One view of the author in eighteenth and nineteenth century Britain held that poetic genius could reside in the lady or gentleman of fashion Fashioning Authorship in the Long Eighteenth Century examines this cultural trope of genius as fashionista by applying an innovative mix of approaches book history Enlightenment and twentieth century philosophy visual studies and material analyses of fashions in books and in dress to specific editions of Alexander Pope Mary Robinson and Lord Byron In its material analyses of these books Fashioning Authorship looks closely at bindings letterforms engravings newspaper advertisements correspondence and other ephemera In its theoretical approaches it takes up the interventions of Locke and Kant in connection with the visual theories of Richardson Hogarth and Reynolds These investigations point ultimately to a profound connection between Enlightenment formulations of subjectivity genius and fashion a link that is relevant to the construction of celebrity in our own cultural moment

British Women's Writing in the Long Eighteenth Century J. Batchelor, C. Kaplan, 2005-07-25 A constellation of new essays on authorship politics and history British Women's Writing in the Long Eighteenth Century Authorship Politics and History presents the latest thinking about the debates raised by scholarship on gender and women's writing in the long eighteenth century The

essays highlight the ways in which women writers were key to the creation of the worlds of politics and letters in the period reading the possibilities and limits of their engagement in those worlds as more complex and nuanced than earlier paradigms would suggest Contributors include Norma Clarke Janet Todd Brian Southam Harriet Guest Isobel Grundy and Felicity Nussbaum Published in association with the Chawton House Library Hampshire for more information visit <http://www.chawton.org> **York Notes Companions: The Long 18th Century** Penny Pritchard,2014-08-28 **Representations of Book**

Culture in Eighteenth-Century English Imaginative Writing Joanna Maciulewicz,2018-07-21 This book is a contribution to the new field of literary studies which is informed by book history and takes interest in the intersection of the ideal and material aspects of literature It studies the ways eighteenth century English novels plays and poems illustrated the changes which the growth of literacy the proliferation of writing and the emergence of print marketplace made in the social and cultural life of Britain and demonstrated the contingency of the emerging criticism on the technological and economic conditions of book production The first part focusses on the representation of the tensions created by the emergence of literate society and on the hopes and fears awoken by the expansion of the cultural public sphere caused by the proliferation of print The second part explores the contribution of literature to the shaping of the roles of authors readers and patrons in the field of literary production **A Cultural History of Fairy Tales in the Long Eighteenth Century** Anne E.

Hume James A. Harris, 2015-10-06 This is the first intellectual biography of the British philosopher and historian David Hume Fashion and Authorship Gerald Egan, 2020-02-13 Studies of fashion and literature in recent decades have focused primarily on representations of clothing and dress within literary texts But what about the author How did he dress What were her shopping practices and predilections What were his alliances with modishness stylishness fashion The essays in this book explore these and other questions as they look at authors from the eighteenth century through the postmodern and digital eras cultural producers who were also men and women of fashion Alexander Pope Hester Thrale Mary Robinson Lord Byron William Thackeray Charlotte Bronte Wilkie Collins Margaret Oliphant Virginia Woolf Rebecca West Trudi Kanter Angela Carter and Martin Margiela The essays collected here ultimately converge upon a fundamental question what happens to our notions of timeless literature when authorship itself is implicated in the transient and the temporary the cycles and materials of fashion Gerald Egan s provocative introduction to this exciting new book poses a bold question How are authorship and literature so often linked to ideas of transcendence implicated in the transient trends and stuff of fashion The thirteen chapters that follow track authorship s complex implication in the discourses and materiality of fashion and fashionable goods from the eighteenth to the twentieth centuries Wide ranging in discipline and chronology yet forensically focused and carefully argued this book makes a striking and wonderfully original contribution to studies of authorship celebrity and material culture Dr Jennie Batchelor Professor of Eighteenth Century Studies University of Kent UK
