**The Autobiography of an Ex-Colored Man** James Weldon Johnson, 2021-07-06 Annotations James Weldon Johnson Biography About The Autobiography of an Ex-Colored Man The Autobiography of an Ex-Colored Man Summary Character List Glossary Themes Quotes and Analysis Summary And Analysis Chapters I II Chapters III IV Chapters V VI Chapters VII IX Chapters X XI Ragtime Related Links Essay Questions James Weldon Johnson's *The Autobiography of an Ex-Colored Man* is one of the most significant works of fiction by an African American author and one of the preeminent works of the Harlem Renaissance, although it was published first in 1912 and reissued in 1927. As it was published anonymously, many readers assumed it was a true story. *Autobiography* has been a mainstay in courses on African American literature because of its layered description of racial tensions and the conflicting nature of identity in the early 20th century. Johnson was an avid reader and a student at Columbia University when he started working on the novel. He showed it to his professor Bernard Matthews in 1906, and the older man encouraged him to keep working on it. Johnson finished *Autobiography* in 1912 when he was working as a diplomat in Corinto, Nicaragua. The Boston firm of Sherman, French, and Company published *Autobiography* in 1912, but Johnson requested that his name remain anonymous. There were few novels published by African American writers during this time. Soon after *Autobiography* came out, Charles W. Chestnutt's *The House Behind the Cedars* (1900), Paul Laurence Dunbar's *The Sport of the Gods* (1902), and W. E. B. DuBois's collection of essays *The Souls of Black Folk* (1903) were published. In his own autobiography *Along This Way* (1933), Johnson wrote about debating whether or not to publish *Autobiography* anonymously, in addition to using the word *Autobiography* in the title. He wrote, "When I chose the title, it was without the slightest doubt that its meaning would be perfectly clear to anyone; there were people, however, to whom it proved confusing." He also commented that he was pleased that readers thought *Autobiography* was a true story, for he had done the book with the intention of its being so. Some critics also speculated that he chose the title and format for economic reasons, as the aforementioned novels by African Americans were not particularly financially successful in comparison to more traditional, non-fictional slave narratives. Regardless, Johnson's novel received favorable reviews, but it did not sell well when it was released. In 1927, Alfred Knopf reissued *The Autobiography of an Ex-Colored Man*, but changed the spelling of "colored" to "coloured" and identified Johnson as the author. Unlike the first printing, the sales were very strong this time around. The novel's popularity was no doubt due to Johnson's respected standing as a man of letters and as the leader of the NAACP during the Harlem Renaissance. An introduction by Carl Van Vechten, another Renaissance luminary, addressed the intersection of the real author and the fictional narrator. *The Autobiography of course in the matter of specific incident has little enough to do with Mr. Johnson's*

own life but it is imbued with his personality and feelings his views of the subjects discussed so that to a person who has no previous knowledge of the author's own history it reads like a real autobiography Contemporary criticism of the novel focuses on whether or not the narrator is self loathing and racist the complicated nature of racial identity and passing at the turn of the century and the relationship between the author and the narrator [The Autobiography of an Ex-Colored Man - Large Print](#) James Weldon Johnson, 2020-10-26 The Autobiography of an Ex Colored Man revealed as never before the color line dividing America and the price it exacted on those souls who could traverse the two worlds The book presents the fictional account of an ex colored man an African American who could pass for white as he attempts to choose which side of the line will better suit his life and his psyche Later republished properly as the work of James Weldon Johnson The Autobiography has gone on to become a classic novel of the early twentieth century and Dreamscape is proud to present this new recording to coincide with the 100th anniversary of this great book **The Autobiography of an Ex-Colored Man** James Weldon Johnson, 2016-12-10 Why buy our paperbacks Standard Font size of 10 for all books High Quality Paper Fulfilled by Amazon Expedited shipping 30 Days Money Back Guarantee BEWARE of Low quality sellers Don't buy cheap paperbacks just to save a few dollars Most of them use low quality papers binding Their pages fall off easily Some of them even use very small font size of 6 or less to increase their profit margin It makes their books completely unreadable How is this book unique Unabridged 100% Original content Font adjustments biography included Illustrated About The Autobiography of an Ex Colored Man By James Weldon Johnson One of the most prominent African Americans of his time James Weldon Johnson 1871 1938 was a successful lawyer educator social reformer songwriter and critic But it was as a poet and novelist that he achieved lasting fame Among his most famous works The Autobiography of an Ex Colored Man in many ways parallels Johnson's own remarkable life First published in 1912 the novel relates through an anonymous narrator events in the life of an American of mixed ethnicity whose exceptional abilities and ambiguous appearance allow him unusual social mobility from the rural South to the urban North and eventually to Europe
