

My Autobiography

I am Adrian Carl V. Dumat-ol. I am currently studying at Lanao del Norte Comprehensive High School. I'm working on an autobiographical essay about a life event that motivates me to study harder. I am writing about my experience when I found out that I have half siblings. That incident had a huge impact on me.

It all happened one summer day in 2011 when I was still 6 years old. At that time, I had no idea that I had a half sibling. One day, my father told me to go with him because we were going to visit my aunt. While we were traveling, my father told me that there was something that I needed to know, and he never told me that it was all about my half-siblings. When we arrived at my aunt's house, I noticed my big sister, and at that time, I didn't know she was my half sibling. All I knew is that we have the same mother, which is not.

While we were talking, father revealed a family secret to me that I had not known since I was born. That is, my older sister and I are not purely siblings because we had different mothers. I didn't believe them at first, but as I looked into their eyes, they seemed very serious. My half-sister spoke to me, and she confirmed everything our father had said, and she reassured me that even though we have different mothers, we are still siblings. I feel better and relieved after we talk.

Several years have passed, and my half siblings are changing the way they treat us. So I keep my distance and stop contacting them. They asked our father why I was not contacting them. Back then, I was the one who was going to chat with them first or contact them. They confronted me about why I was avoiding them, and I told them that they were the first ones who changed the way they treated us.

One day, my half siblings start making rumors that because of my mother, our father is starting to lose money, which is not true. So I was stunned by what they said. I asked them why they started to spread rumors about my mother. They made a lot of excuses and now we are still on bad terms.

Even though many problems happen, I need to stay strong and not be affected by what happened. I need to respect my elders, even if they have done bad things to me. Do not put your faith in all of their promises because there is a chance they will break them. Always choose good deeds because of all of the things you have done, God will always watch you.

Autobiography Of A One Year Old:

Autobiography of a One-Year-Old Rohan Candappa,2001-08-28 I am a one year old and this is my autobiography Have you ever looked at your baby and wondered what he or she is thinking Are you ready to find out I thought it was about time someone told it like it is So I m spilling the beans on the world of a one year old A world where you re left in the charge of totally inept parents Where everything s at completely the wrong height Where you re not allowed to splash in the bath but you are in the pool Where nobody understands a single word you say And where diapers and poop loom large at every turn It s a roller coaster ride through one heck of a year I ve laughed a lot I ve cried a lot I ve learned a lot And so will you You might even discover the answer to that age old question Humpty Dumpty did he fall or was he pushed Anyway must run I see a bowl of tepid gloop is being spooned out for me What joy Welcome to the wonderful world of your one year old
