The American Mercury ,1927 Mark Twain's Own Autobiography Mark Twain, 2010-02-25 Mark Twain s Own Autobiography stands as the last of Twain s great yarns Here he tells his story in his own way freely expressing his joys and sorrows his affections and hatreds his rages and reverence ending as always tongue in cheek Now then that is the tale Some of it is true More than the story of a literary career this memoir is anchored in the writer s relation to his family what they meant to him as a husband father and artist It also brims with many of Twain s best comic anecdotes about his rambunctious boyhood in Hannibal his misadventures in the Nevada territory his notorious Whittier birthday speech his travels abroad and more Twain published twenty five Chapters from My Autobiography in the North American Review in 1906 and 1907 I intend that this autobiography shall be read and admired a good many centuries because of its form and method form and method whereby the past and the present are constantly brought face to face resulting in contrasts which newly fire up the interest

all along like contact of flint with steel For this second edition Michael Kiskis's introduction references a wealth of critical work done on Twain since 1990 He also adds a discussion of literary domesticity locating the autobiography within the history of Twain's literary work and within Twain's own understanding and experience of domestic concerns **The Atlantic Monthly**, 1927 **Life as a Playwright** Jon Klein, 2018-05-03 Addressing the questions central to any playwright's career and identity Jon Klein offers you a glimpse into a career writing for the theatre As well as an account of the day to day life of a writer he also discusses what an aspiring playwright should expect as they navigate the industry and how to make yourself stand out from the crowd Furthermore the book looks at situations that the emerging playwright is likely to encounter including handling rehearsals workshops castings re writing venues reviews successes and failure The book concludes with seventeen interviews with other USA based playwrights representing a wide range of experience from writers just starting to make a name for themselves to seasoned award winning veterans such as Sheila Callaghan Steven Dietz Keith Glover Lauren Gunderson John Pielmeier and Jen Silverman Author Jon Klein has a wealth of experience with over 30 of his plays produced in the USA and over 100 productions including include T Bone N Weasel Dimly Perceived Threats to the System Betty the Yeti and his most recent play Resolving Hedda Klein draws upon the lessons he has learned from his associations with numerous established theatre folk many from the start of their careers These include figures such as Bob Falls Gregory Hines Jon Jory Kenny Leon Dan Sullivan and August Wilson clude figures such as Bob Falls Gregory Hines Jon Jory Kenny Leon Dan Sullivan and August Wilson
