Blood And Volume Inside New Yorks Israeli Mafia:

Blood & Volume Dave Copeland, 2007 *Blood and Volume Inside New York's Israeli Mafia* by Dave Copeland reads like fiction but is absolutely all true. Ron Gonen ran a multi million dollar drug distribution and contract murder syndicate in Brooklyn, Queens and Manhattan in the 1980's. With associates Ron Efrainm and Johnny Attias the money was coming in fast. Closest in comparison is Henry Hill's story which was made into a movie *Goodfellas*. Gonen was manipulative and charismatic, traveling between Tel Aviv and New York doing deals until it all unraveled. He saw the helicopter over his house and knew it was over. After his arrest, he exchanged information for the witness protection program. Lest the reader think he is enjoying the ill gotten gains of his crimes, the morality tale here is that he is living somewhere unrevealed with his family eking out a modest income and even borrowing a few dollars from his mother to get by. *The Israeli Mafia* Dina Siegel, 2024-11-09. This book delves into a previously unexplored realm within criminological scholarship: Israeli organized crime. Breaking the silence that has shrouded this topic, this book undertakes a comprehensive examination of the intricate socio-economic and cultural landscapes that have shaped the criminal operations of a diverse array of Jewish and non-Jewish criminal entities spanning from the inception of the Israeli state to the present day. In 2024, drawing upon meticulous ethnographic fieldwork conducted in Israel between 2020 and 2024, alongside rigorous media analysis, interviews conducted both domestically and internationally, and a wealth of visual material captured by the author during fieldwork, this study offers unparalleled insights into the dynamics of Israel's underworld. It examines the multifaceted activities of various criminal organizations, including but not limited to drug and human trafficking, protection rackets, gambling enterprises, and contract killings. Moreover, this book critically examines the responses of authorities and law enforcement agencies to the escalating influence of organized crime amidst the backdrop of major socio-political upheavals in Israel, ranging from wars and waves of immigration to terrorist attacks. By contextualizing these criminal phenomena within broader historical and contemporary narratives, this work not only fills a significant gap in scholarly discourse but also provides a nuanced understanding of the intersections between crime, society, and governance in the Israeli context. **Journal of United Labor** Knights of Labor, 1893. *The Spectator*, 1975. *The Book of Jewish Gangsters* John William Tuohy, 2010-12-08. The brief and bloody history of the rise and fall of the Jewish American gangster in the American midwest from the year 1900 through 2000. They were largely the sons of America's newest and poorest immigrants who had crowded into New York's then desolate, filthy, and overcrowded tenement slum, the lower east side. With limited educations and often facing appalling discrimination, many filtered into the once massive and much feared Jewish street gangs that ruled large parts of Manhattan and the Boroughs. Despite a general erroneous recreation of the role of Jewish gangsters within the early American Jewish ghettos, these hoodlums were hardly heroes within the community. Rather, they were the scourge of the Jewish neighborhoods, prying on Jewish business owners and peddling young Jewish girls into the world of prostitution. In the early part of the 20th century, Jewish mobsters moved

from street gang status to professional criminals though the labor racket wars Hiring themselves out to both management and unions as leg breakers and sluggers Jewish gangsters like Kid Dropper Kaplan Kid dropper got his nickname as a child He knocked over children sent to the stores by their parents and took their money Johnny Spanish and Dopey Benny Fein came to dominate the labor extortion business The Jews in organized crime blossomed during prohibition when ethnic hostilities between the Sicilian Italian Americans the Irish and the Jews were set aside in the name of fortune Jewish gangs virtually controlled all or most of the bootleg operations in Cleveland Ohio Philadelphia and Brooklyn under the leadership of Dutch Schultz in New York Moe Dalitz in Ohio Charlie Solomon in Boston and Longy Zwillman in New Jersey and Hollywood Jews especially played a large role in the creation and management of the National Crime Syndicate in the 1930s Except in a few rare cases Jewish mob leaders had not built up criminal organizations and those there were created quickly faded and died as America s Jews filters into main stream society their desperate poverty and hopelessness now a thing of the past Although far less in number then they had been in the 1920s and 1930s Jewish gangsters such as Meyer Lansky Moe Dalitz and Gus Greenbaum were still a considerable force in the underworld right after World War 2 up until the very early 1970s when old age took its natural toll By then the typical Jewish mobster lacking the numbers needed for any other type in the United States had moved into management positions in the various Outfits Again like Lansky and Dalitz or controlled large segments of loan sharking business Something of Jewish Mafia exists today in the form of the Israeli mafia which at the start of the 21st century is heavily involved in White Slavery and narcotics trafficking in which is works closely with the New York based Gambino crime family Working class Russian Jew also dominates large fractions of the various Russian mobs wrongly called The Russian Mafia They are hardly a united group However how many of these hoodlums are actually Jewish is a mystery Under the Soviet government thousands of gangsters claimed Jewish ancestry so they would be allowed to relocate in the United States and Israel *The Westies* T. J. English,2011-11-15 From a New York Times bestselling author A true story of Irish gangsters in Manhattan A harrowing account of big city crime Library Journal It s men like Jimmy Coonan and Mickey Featherstone who gave Hell s Kitchen its name In the mid 1970s these two longtime friends take the reins of New York s Irish mob using brute force to give it hitherto unthinkable power Jimmy a charismatic sociopath is the leader Mickey whose memories of Vietnam torture him daily is his enforcer Together they make brutality their trademark butchering bodies or hurling them out the window Under their reign Hell s Kitchen becomes a place where death literally rains from the sky But when Mickey goes down for a murder he didn t commit he suspects his friend has sold him out He returns the favor breaking the underworld s code of silence and testifying against his gang in open court From one of the creators of NYPD Blue and Homicide Life on the Street comes an incredible true story of what it means to survive in the world of organized crime where murder is commonplace **Cosa Nostra News** Dominick Cicale,Ed Scarpo,2014-12-09 Life and death inside the Mafia Dominick Cicale was born and raised in the Bronx New York From a young age he was closely associated with the Genovese

crime family considered the most powerful Mafia group in America Fate intervened In 1999 Cicale forged a tight alliance with Vincent Vinny Gorgeous Basciano then an up and coming member of the Bronx faction of the Bonanno crime family Under Basciano s tutelage Dominick rode the fast track he was inducted into the American Cosa Nostra and swiftly rose from soldier to capo amassing great wealth and power Cicale befriended and associated with numerous high ranking figures within all of New York s Five Families as he plotted and schemed in a treacherous world where each day could be his last This installment views startling details surrounding the brutal gangland murder of Gerlando George from Canada Sciascia and its resulting impact on relations between the Bonanno family in New York and its Montreal based outpost established by the Mafia Commission in 1931 The cast of characters further includes high ranking Mafiosi such as Joseph Massino The Last Don Salvatore Sal the Iron Worker Montagna Vito Rizzuto Vinny Gorgeous a nickname never used in his presence and Cicale himself

Manhattan Mafia Guide Eric Ferrara,2010-09-10 The New York City historian and author of *The Bowery* takes readers on a tour of New York s infamous underworld in this revealing guide During the early twentieth century Sicilian and Southern Italian immigrants poured into New York City looking for a better life But while they escaped the kind of poverty and persecution they experienced in the old country they soon discovered that certain criminal enterprises followed them to America Over the years the island of Manhattan would become a hotbed of organized crime and underworld intrigue It s a version of the city that remains invisible to most visitors until now In this revealing tour of New York City s mafia history Eric Ferrara gives readers an insider s look at how the mob lived and where they died Ferrara goes inside mafia hangouts from the Copacabana to Milady s Bar and the Thompson Street Social Club He vividly recounts infamous episodes in the lives of famous mafia men like Charlie Lucky Luciano and Joey Gallo as well as more obscure players who will be new to most readers From the beginnings of Black Hand criminal networks to the reign of an all powerful organized crime syndicate *Manhattan Mafia Guide* offers a fascinating look down New York City s mean streets
