Blood Double Carroll Monks :

To the Bone Neil McMahon, 2009-10-13 Late one hot summer night a beautiful young actress named Eden Hale only hours removed from breast augmentation surgery and writhing in pain stumbles to the telephone and dials 911 Within minutes an ambulance rushes her to San Francisco's Mercy Hospital But by the time she arrives she is dying fast of a mysterious unrecognizable condition Dr Carroll Monks the ER physician on duty races to sort through her baffling symptoms in the few minutes he has left to save her Monks has a sudden insight and against the advice of his peers risks a radical treatment which will prove to be either a brilliant maneuver or a potentially deadly mistake It fails Eden Hale vibrantly healthy and barely twenty five years old is dead The fallout is immediate and intense The plastic surgeon who operated on Eden Dr D Welles D Anton whose reputation as a surgical guarantor of perfection and agelessness has conferred on him a guru like status blames Monks for her death Criticism from Monks's hospital colleagues quickly follows and the threat of a lawsuit is not far behind Monks's career is in jeopardy but his own guilt and uncertainty are what haunt him worst of all Convinced there's a hidden cause to Eden's death Monks starts to delve into her past Despite roadblocks that spring up in his path he soon learns that the former prom queen was not the all American girl she seemed to be she was caught up in the world of pornography and was even possibly having an illicit affair with D Anton Then Monks uncovers a secret that is far more frightening other young women in D Anton's care have wound up missing dead or horribly disfigured In his search for the truth Monks is drawn into a culture of unimaginable wealth and vanity only to discover that he is being used as a pawn in a decadent game of glamour and cruelty one that places him in the crosshairs of a deadly psychopath With *To the Bone* Neil McMahon described by the Chicago Tribune as a cross between Raymond Chandler and Thomas Harris provides a heart pounding journey into a world of murder and vanity gone wild that you won't soon forget and demonstrates why he's been called an author to remember and a writer you're going to be hearing a lot about **The Publishers Weekly**, 2002 **The Shining Shining Path** Carroll Dale Short, 2002 *The Shining Shining Path* is a triumphant blend of magical realism and spiritual adventure which examines the power of love forgiveness and redemption in everyday lives Its collision of Eastern mysticism and Deep South culture ranges effortlessly from humor to profound emotion *Relics* Joan Carroll Cruz, 2015 Scripture speaks of miracles wrought through relics a dead man was raised when Elisha's bones touched him and the clothing of Jesus and His apostles healed the sick In the early Church Masses were celebrated over the bones of the martyrs and phials of their blood have effected countless miracles Direct successors of the Apostles themselves speak of venerating relics Church Fathers encourage it throughout the ages of Catholic legacy relics of the saints are always present The Church takes diligent care in preserving and documenting the authenticity of her relics Best selling author Joan Carroll Cruz takes full advantage of these resources With painstaking research she exposes the details behind hundreds of the Church's most famous and beloved relics She covers 38 second class relics of our Lord and Lady such as the Holy Grail and Our Lady's Veil

and relics of all sorts from 75 favorite saints such as St Mary Magdalene St Agnes St Charles Borromeo St Francis of Assisi St Maria Goretti and many more Relics is a unique collection of years of dedicated research about the lives of the saints and the mementos they left behind to remind us of their presence and intercession for us Essays on Women in Earliest Christianity, Volume 2 Carroll D.
