

Dracula the Immortal King

LEVEL: 90

When Dracula fell centuries ago, it seemed like the Church of Luminance had done the impossible. The death of the Immortal King. However, in his final moments, Dracula enacted his final gambit and cast a cloud over Yendoran. The blood rain that followed would plant the seeds of Dracula's will across the realm, twisting it, and filling it with his storied essence.

After death, the Immortal King's soul was cast out to where his otherworldly powers originated, the Shadow Realm. There he lingered, biding his time. Now the time has come. Dracula floods the world with his monstrous Legion of Noctum, having them gather the blood necessary for him to become whole once more and return to Yendoran.
