The Prison Planet Handbook Denis Goodwin, 2018-09-28

Who are we and where did we come from When we turn to the information provided to us we find a mud pool of possibilities Is this intended to subvert our built in guidance systems We also discover that people who are adept at researching big picture science are offered special jobs conditional on being sworn to secrecy What is behind this strategy Sometimes the reality prescribed to us doesn't fit with or explain what we experience So if you too know something is not quite right wonder what else is out there what the bigger picture is who benefits with us excluded from it and are ready for changes on earth the bottom line is here

A New Order of the Ages Collin Robert q Bowling, 2011-08-01 Evil has been discharged hither and thither and as a result a war is being waged between the Light and the Dark Powerful occult reptilian bloodlines have commandeered the corporate mass media and the military industrial complex the everyman no longer a free entity Why these torturing gifts and wherefore lent to the people No reason except for the desire to dominate and suppress It is an inkling the beasts of prey within man and reptile cannot control Secret societies are the gatekeepers to a much greater secret that encompasses extraterrestrials and cultures spanning across dimensions The labyrinth has already been entered next stop a closer inspection at money and the big business of Big Brother Are there more cards up the magicians sleeve Only one and that is the possibility for enlightenment

Life, One Big Existential Crisis Kerry Louise Stalker, 2021-01-25 Life One Big Existential Crisis takes the reader on an epic journey It starts by asking What's the point then ventures down the psychological philosophical spiritual cosmological and conspiratorial rabbit hole to answer this great ontological question In short the spirit world is real A spiritual battle is taking place and our souls are the prize for either the kingdom of darkness or kingdom of light There is a dastardly cabal orchestrating our reality using the Bible as its playbook We're living in the last pages of the Bible and this great book will close with a bang The Beast one world system is on our doorstep This book is for those who want to know the Truth and break free from the matrix The focus is on authenticity and choosing your choice
