Lesley,2017-03-03 This book examines how children s and young adult literature addresses and interrogates the legacies of American school desegregation Such literature narrates not only the famous battles to implement desegregation in the South in places like Little Rock Arkansas but also more insidious and less visible legacies such as re segregation within schools through the mechanism of disability diagnosis Novelizations of children s experiences with school desegregation comment upon the politics of getting African American children access to white schools but more than this as school stories they also comment upon how structural racism operates in the classroom and mutates over the course of decades through the pedagogical practices depicted in literature for young readers Lesley combines approaches from critical race theory disability studies and educational philosophy in order to investigate how the educational market simultaneously constrains how racism in schools can be presented to young readers and also provides channels for radical critiques of pedagogy and visions of alternative systems The volume examines a range of titles from novels that directly engage the Brown v Board of Education decision such as Sharon Draper s *Fire From the Rock* and Dorothy Sterling s *Mary Jane* to novels that engage less obvious legacies of desegregation such as Cynthia Voigt s *Dacey s Song* Sharon Flake s *Pinned* Virginia Hamilton s *The Planet of Junior Brown* and Louis Sachar s *Holes* This book will be of interest to scholars of American studies children s literature and educational philosophy and history Bridging Literacy and Equity Althier M. Lazar,Patricia A. Edwards,Gwendolyn

Thompson McMillon,2012 *Bridging Literacy and Equity* synthesizes the essential research and practice of social equity literacy teaching in one succinct user friendly volume Chapters identify six key dimensions of social equity teaching that can

help teachers see their students potential and create conditions that will support their literacy development Serving students well depends on understanding relationships between race class culture and literacy the complexity and significance of culture and the culturally situated nature of literacy It also requires knowledge of culturally responsive practices such as collaborating with and learning from caregivers using cultural referents enacting critical and transformative literacy practices and seeing the capacities of English language learners and children who speak African American Language Each chapter includes a Reflection and Inquiry section with exercises to help readers relate chapter concepts and issues to their own teaching practices This will be an invaluable and popular resource for classroom teachers Karen Lowenstein Educator Preparation Consultant Colorado Department of Education Individuals already involved in the classroom and others preparing to become teachers who are genuinely committed to high quality education for all children will find Bridging Literacy and Equity a welcomed and empowering call to action From the Foreword by Geneva Gay
