Newspapers International Federation of Library Associations, 2011 This volume comprises contributions of three conferences on legal deposit in a digital environment on web harvesting and archiving as well as newspapers in the geographical context of the Mediterranean The main focus is on how to acquire preserve and make available digital files Issues that continue to be hot topics also in a world dominated by monographs **Anti-Zionism and Antisemitism** Alvin H. Rosenfeld, 2019-01-09 Seventeen essays by scholars examining the links between anti-Semitism and attitudes toward Israel in the current political climate How and why have anti-Zionism and antisemitism become so radical and widespread This timely and important volume argues convincingly that today's inflamed rhetoric exceeds the boundaries of legitimate criticism of the policies and actions of the state of Israel and conflates anti-Zionism with antisemitism The contributors give the dynamics of this process full theoretical political legal and educational treatment and demonstrate how these forces operate in formal and informal political spheres as well as domestic and transnational spaces They offer significant historical and global perspectives of the problem including how Holocaust memory and meaning have been reconfigured and how a singular and distinct project of delegitimization of the Jewish state and its people has solidified This intensive but extraordinarily rich contribution to the study of antisemitism stands out for its comprehensive overview of an issue that is both historical and strikingly timely *Killing for God* Stephen Schwalbe, 2020-07-15 Given the extremely high cost of overseas military operations today the author offers readers scholarly insights as to what motivates kingdoms countries and groups to engage in religious conflict beginning with those found in the Hebrew Bible To do this he analyzes three related religions Judaism Christianity and Islam to determine their similarities and differences regarding the killing of people The areas of conflict analysis include Fundamentalism Proselytization Sacrifice to include martyrdom and Revenge to include genocide The insights of preeminent religious and political scholars are integrated into this comprehensive analysis of

conflict involving religion leading to an answer to the ultimate question Is the killing worth it **Contested Holy Places in Israel-Palestine** Yitzhak Reiter, 2017-04-07 Religious leaders and political actors often use holy places to rally citizens to protect or liberate national territory as hallowed land The Holy Land Palestine or Eretz Israel is the most obvious case of the process of religionizing ethnic national and territorial conflicts This book analyzes fourteen case studies of conflicts over holy sites in the Holy Land each representing a particular archetype of conflict It seeks to understand the many facets of disputes and the triggers for the outbreak of violence in and around such sites It also analyses the effectiveness of the conflict mitigation and resolution tools used for dealing with such disputes **The Inevitable Caliphate?** Reza Pankhurst, 2013 Discusses the Caliphate in the ideas and discourse of the Muslim Brotherhood Hizb ut Tahrir and al Qaeda **The Oxford Handbook of the History of Terrorism** Carola Dietze, Claudia Verhoeven, 2022 The Oxford Handbook of the History of Terrorism presents a re evaluation of the major narratives in the history of terrorism exploring the emergence and the use of terrorism in world history from antiquity up to the twenty first century The volume presents terrorism as a historically specific form of political violence that was generated by modern Western culture and then transported around the globe where it interacted with and was transformed in accordance with local conditions It offers cogent arguments and well documented case studies that support a reading of terrorism as a modern phenomenon as well as sustained analyses of the challenges involved in the application of the theories and practices of modernity and terrorism to non Western parts of the world both for historical actors and academic commentators **The Palestine Strategic Report 2018-2019** Prof. Dr. Mohsen Mohammad Saleh, 2021-04-19 This annual referential report has become an essential classic in the academic realm of Palestinian Studies It includes the latest and most recent statistical and analytic data on the various developments related to the Palestinian issue Al Zaytouna Centre is pleased to present to its readers the Palestine Strategic Report PSR 2018 2019 the 11th PSR to be published With an academic methodology and comprehensive and objective approach the report comprehensively details developments concerning the Palestine issue and provides the latest information and data available at the end of 2019 along with analyses and forecasts running into 2020 2021 This report is the result of collaborative work between 14 experts and researchers In eight chapters it addresses the internal Palestinian scene Palestinian demographic and economic indicators the situation in Jerusalem and the holy sites the specifics of Israeli aggression Palestinian resistance and the peace process the complexities of Israeli Palestinian dynamics including the internal situation in Israel and Palestine s Arab Islamic and international relations The PSR now occupies a prominent position as an indispensable reference document integral to Palestine studies and research Al Zaytouna Centre hopes the PSR will continue to make valuable contributions in this field **The Politics of Sacred Places** Nimrod Luz, 2023-09-07 The Politics of Sacred Places is a study of the socio political dimensions of sacred sites in Israel Palestine drawing on over 20 years of in depth ethnographic research which introduces cutting edge theories on secularization struggles for recognition and diversity issues This book focuses on

contemporary sacred sites and their socio political meanings for minorities within a hegemonic and a secularizing state system It argues that sacred places provide a space that is less scrutinized by the state and where alternative visions of the socio political may be produced A plethora of sites and case studies are examined including the rural shrine of Maqam abu al Hijja in the lower Galilee the Mosque of Hassan Bek in the heart of Tel Aviv Jaffa and the most disputed sacred place in the region the Haram al Sharif in Jerusalem These sites are explored through mostly a phenomenological lens and in various contexts from the individual body to the global This book offers a critical analytical study of the socio political aspects of sacred sites in contemporary societies within the broader understanding of scale and the spatial turn in the study of religion
