BOOK JACKET American Guides Wendy Griswold, 2016-08-26 In the midst of the Great Depression Americans were nearly universally literate and they were hungry for the written word With an eye to this market and as a response to unemployment Roosevelt s Works Progress Administration created the Federal Writers Project They produced the Project s American Guides an impressively produced series that set out not only to direct travelers on which routes to take and what to see throughout the country but also to celebrate the distinctive characteristics of each individual state The series unintentionally diversified American literary culture s cast of characters promoting women minority and rural writers while it also institutionalized the innovative idea that American culture comes in state shaped boxes
