MARY NYQUIST

Arbitrary Rule Slavery Tyranny And The Power Of Life And Death

Michele A. Paludi, J. Harold Ellens

Arbitrary Rule Slavery Tyranny And The Power Of Life And Death:

Arbitrary Rule Mary Nyquist, 2015-02-24 Slavery appears as a figurative construct during the English revolution of the mid seventeenth century and again in the American and French revolutions when radicals represent their treatment as a form of political slavery What if anything does figurative political slavery have to do with transatlantic slavery In *Arbitrary Rule* Mary Nyquist explores connections between political and chattel slavery by excavating the tradition of Western political thought that justifies actively opposing tyranny She argues that as powerful rhetorical and conceptual constructs Greco Roman political liberty and slavery reemerge at the time of early modern Eurocolonial expansion they help to create racialized free national identities and their unfree counterparts in non European nations represented as inhabiting an earlier privative age *Arbitrary Rule* is the first book to tackle political slavery's discursive complexity engaging Eurocolonialism political philosophy and literary studies areas of study too often kept apart Nyquist proceeds through analyses not only of texts that are canonical in political thought by Aristotle Cicero Hobbes and Locke but also of literary works by Euripides Buchanan Vondel Montaigne and Milton together with a variety of colonialist and political writings with special emphasis on tracts written during the English revolution She illustrates how antityranny discourse which originated in democratic Athens was adopted by republican Rome and revived in early modern Western Europe provided members of a free community with a means of protesting a threatened reduction of privileges or of consolidating a collective political identity Its semantic complexity however also enabled it to legitimize racialized enslavement and imperial expansion Throughout Nyquist demonstrates how principles relating to political slavery and tyranny are bound up with a Roman jurisprudential doctrine that sanctions the power of life and death held by the slaveholder over slaves and by extension the state its representatives or its laws over its citizenry

The Social and Political Philosophy of Mary Wollstonecraft Sandrine Bergès, Alan Coffee, 2016-11-10 Interest in the contribution made by women to the history of philosophy is burgeoning Intense research is underway to recover their works which have been lost or overlooked At the forefront of this revival is Mary Wollstonecraft While she has long been studied by feminists and later discovered by political scientists philosophers themselves have only recently begun to recognise the value of her work for their discipline This volume brings together new essays from leading scholars which explore Wollstonecraft's range as a moral and political philosopher of note both taking a historical perspective and applying her thinking to current academic debates Subjects include Wollstonecraft's ideas on love and respect friendship and marriage motherhood property in the person and virtue and the emotions as well as the application her thought has for current thinking on relational autonomy and animal and children's rights A major theme within the book places her within the republican tradition of political theory and analyses the contribution she makes to its conceptual resources

The Problem of the Christian Master Matthew Elia, 2024-05-28 A bold rereading of Augustinian thought for a world still haunted by slavery Over the last two decades scholars have made a striking return to the resources of the

Augustinian tradition to theorize citizenship virtue and the place of religion in public life However these scholars have not sufficiently attended to Augustine's embrace of the position of the Christian slaveholder To confront a racialized world the modern Augustinian tradition of political thought must reckon with its own entanglements with the afterlife of the white Christian master Drawing Augustine's politics and the resources of modern Black thought into extended dialogue Matthew Elia develops a critical analysis of the enduring problem of the Christian master even as he presses toward an alternative interpretation of key concepts of ethical life agency virtue temporality against and beyond the framework of mastery Amid democratic crises and racial injustice on multiple fronts the book breathes fresh life into conversations on religion and the public square by showing how ancient and contemporary sources at once clash and converge in surprising ways It imaginatively carves a path forward for the enduring humanities inquiry into the nature of our common life and the perennial problem of social and political domination

Rules Lorraine Daston, 2023-08-08 In *Rules* historian Lorraine Daston traces their development in the Western tradition and shows how rules have evolved from ancient to modern times Drawing on a rich trove of examples including legal treatises cookbooks military manuals traffic regulations and game handbooks

Feminism and Religion Michele A. Paludi, J. Harold Ellens, 2016-03-21 Renowned subject experts Michele A Paludi and J Harold Ellens lead readers through a detailed exploration of the feminist methods issues and theoretical frameworks that have made women central not marginal to religions around the world At a conference in 2013 Gloria Steinem noted that religion is the biggest problem facing feminism today In this insightful volume a team of researchers psychologists and religious leaders led by editors Michele A Paludi and J Harold Ellens supply their expertise and informed opinions to examine the problems spur understanding and pose solutions to the conflicts between religion and women's rights thereby advocating a global interest in justice and love for women Examples of subjects addressed include the pro life pro choice debate feminism in new age thought and the complex intersections of religion and feminism combined with gender race and ethnicity The contributed work in this unique single volume book enables a better understanding of how various religions view women both traditionally and in the modern context and how feminist thinking has changed the roles of women in some world religions Readers will come away with clear ideas about how religious cultures can honor feminist values such as family friendly workplace policies reproductive justice and pay equity and will be prepared to engage in conversation and constructive debate regarding how faith and feminism are interrelated today

Milton Reinvented David

Boocker, 2024-11-16 This book focuses on the cultural reception of Milton and his works in nineteenth century America Using reception theory the work analyzes the contributions of Milton and his writings to demonstrate how major social movements appropriated him in ways that reinvent him making him what Margaret Fuller called emphatically American The book centers on Milton's influence on the movements focused on the development of American Christianity abolition and women's suffrage Each group approaches his writings with different horizons of expectations determined in part by the social

problems they address Each has unique ways of disseminating and consuming information about Milton and his writings sometimes determined by how readers in different geographical locations read him And each debate makes extensive use of American periodicals of the period revealing critical information about how Milton s writings were disseminated and deployed Milton s presence in these debates helped shape American society at the time and provides proof for us of how Milton can remain relevant in the issues faced by Americans in our day

African Kings and Black Slaves Herman L. Bennett, 2018-09-10 A thought provoking reappraisal of the first European encounters with Africa As early as 1441 and well before other European countries encountered Africa small Portuguese and Spanish trading vessels were plying the coast of West Africa where they conducted business with African kingdoms that possessed significant territory and power In the process Iberians developed an understanding of Africa s political landscape in which they recognized specific sovereigns plotted the extent and nature of their polities and grouped subjects according to their ruler In *African Kings and Black Slaves* Herman L. Bennett mines the historical archives of Europe and Africa to reinterpret the first century of sustained African European interaction These encounters were not simple economic transactions Rather according to Bennett they involved clashing understandings of diplomacy sovereignty and politics Bennett unearths the ways in which Africa s kings required Iberian traders to participate in elaborate diplomatic rituals establish treaties and negotiate trade practices with autonomous territories And he shows how Iberians based their interpretations of African sovereignty on medieval European political precepts grounded in Roman civil and canon law In the eyes of Iberians the extent to which Africa s polities conformed to these norms played a significant role in determining who was and who was not a sovereign people a judgment that shaped who could legitimately be enslaved Through an examination of early modern African European encounters *African Kings and Black Slaves* offers a reappraisal of the dominant depiction of these exchanges as being solely mediated through the slave trade and racial difference By asking in what manner did Europeans and Africans configure sovereignty polities and subject status Bennett offers a new depiction of the diasporic identities that had implications for slaves experiences in the Americas

Exemplary Violence Alberto Villate-Isaza, 2021-03-12 In *Discourse on Colonialism* Aim C saire asserts that colonization ultimately works to decivilize the colonizer awakening baser brutalizing and dehumanizing instincts in him In *Exemplary Violence: Rewriting History in Colonial Colombia* Villate Isaza explores Colombia s violent colonial history by examining three seventeenth century historical accounts of the New Kingdom of Granada modern day Colombia and Venezuela Pedro Sim n s *Noticias historiales* 1626 Juan Rodr guez Freile s *El carnero* 1636 and Lucas Fern ndez de Piedrahita s *Historia general* 1676 each of which reveals the colonizing elite s reliance on a constant threat of violence for sustaining colonial order In spite of their attempts to convey a straightforward narrative of European political technical and moral superiority while conforming to Counter Reformation Catholic orthodoxy these accounts reveal tensions and highlight conflicts and ambiguities between the writers social interests and personal identifications As they attempt to reinforce the principal tenets of European culture

in the New Kingdom they also reveal contradictions inherent in a more advanced culture when colonizers behave in barbaric ways *Sovereign Joy* Miguel A. Valerio,2022-07-07 An exploration of how Afro Mexicans affirmed their culture subjectivities and colonial condition through festive culture and performance **The Tar Baby** Bryan Wagner,2019-11-12 Perhaps the best known version of the tar baby story was published in 1880 by Joel Chandler Harris in Uncle Remus His Songs and His Sayings and popularized in Song of the South the 1946 Disney movie Other versions of the story however have surfaced in many other places throughout the world including Nigeria Brazil Corsica Jamaica India and the Philippines The Tar Baby offers a fresh analysis of this deceptively simple story about a fox a rabbit and a doll made of tar and turpentine tracing its history and its connections to slavery colonialism and global trade

Arbitrary Rule Slavery Tyranny And The Power Of Life And Death Introduction

In today's digital age, the availability of Arbitrary Rule Slavery Tyranny And The Power Of Life And Death books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Arbitrary Rule Slavery Tyranny And The Power Of Life And Death books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Arbitrary Rule Slavery Tyranny And The Power Of Life And Death books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Arbitrary Rule Slavery Tyranny And The Power Of Life And Death versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Arbitrary Rule Slavery Tyranny And The Power Of Life And Death books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Arbitrary Rule Slavery Tyranny And The Power Of Life And Death books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Arbitrary Rule Slavery Tyranny And The Power Of Life And Death books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational

institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Arbitrary Rule Slavery Tyranny And The Power Of Life And Death books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Arbitrary Rule Slavery Tyranny And The Power Of Life And Death books and manuals for download and embark on your journey of knowledge?

FAQs About Arbitrary Rule Slavery Tyranny And The Power Of Life And Death Books

1. Where can I buy Arbitrary Rule Slavery Tyranny And The Power Of Life And Death books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
