Martin, 1999-11-19 The merits of this volume are many The author writes in a very readable and intelligible sly making the book clear and easy to understand His evaluations are objective carefully weighing both strengths and weaknesses and doing so from the standpoint of liturgical principle rather than dogmatic assertion Despite the scholarly approach there is a practical emphasis not found in many introductions New Testament Foundations represents scholarship at its best The Theological Educator **New Illustrated Devotional and Practical Polyglot Family Bible** Anonymous, 2023-06-12 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **The Holy Bible, Notes Critical, Explanatory and Practical, by J.
