

VERY SHORT INTRODUCTIONS

Archaeology A Very Short Introduction Very Short Introductions

David C. Catling

Archaeology A Very Short Introduction Very Short Introductions:

Archaeology Paul Bahn, 2012-08-30 This entertaining Very Short Introduction reflects the enduring popularity of archaeology a subject which appeals as a pastime career and academic discipline encompasses the whole globe and surveys 2.5 million years From deserts to jungles from deep caves to mountain tops from pebble tools to satellite photographs from excavation to abstract theory archaeology interacts with nearly every other discipline in its attempts to reconstruct the past In this new edition Paul Bahn brings the text up to date including information about new discoveries and interpretations in the field and highlighting the impact of developments such as the potential use of DNA and stable isotopes in teeth as well the effect technology and science are having on archaeological exploration ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **Archaeology: A Very Short**

Introduction Paul G. Bahn, 2012-08-30 This Very Short Introduction provides an up to date account of the problems concerns and nature of archaeology with reference to all the latest archaeological techniques theories and excavations

Nuclear Weapons: A Very Short Introduction Joseph M. Siracusa, 2015-04-23 Despite not having been used in anger since Hiroshima and Nagasaki the atomic bomb is still the biggest threat that faces us in the 21st century As Bill Clinton's first secretary of defence Les Aspin aptly put it The Cold War is over the Soviet Union is no more But the post Cold War world is decidedly not post nuclear For all the effort to reduce nuclear stockpiles to zero it seems that the bomb is here to stay This Very Short Introduction reveals why The history and politics of the bomb are explained from the technology of nuclear weapons to the revolutionary implications of the H bomb and the politics of nuclear deterrence The issues are set against a backdrop of the changing international landscape from the early days of development through the Cold War In this new edition Joseph M Siracusa includes a new concluding chapter moving away from the emphasis of nuclear weapons in the age of terrorism to the significant lessons to be learnt from the history of the nuclear weapons era Siracusa shows that because 21st century nuclear proliferation has deep roots in the past an understanding of the lessons of this nuclear history is paramount for future global policies to be successful ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable Ritual: A Very Short Introduction Barry Stephenson, 2015-01-28 Ritual is part of what it means to be human Like sports music and drama ritual defines and enriches culture putting those who practice it in touch with sources of value and meaning larger than themselves Ritual is unavoidable yet it holds a place in modern life that is decidedly ambiguous What is ritual What does it do Is it useful What are the various kinds of ritual Is

ritual tradition bound and conservative or innovative and transformational Alongside description of a number of specific rites this Very Short Introduction explores ritual from both theoretical and historical perspectives Barry Stephenson focuses on the places where ritual touches everyday life in politics and power moments of transformation in the life cycle as performance and embodiment He also discusses the boundaries of ritual and how and why certain behaviors have been studied as ritual while others have not Stephenson shows how ritual is an important vehicle for group and identity formation how it generates and transmits beliefs and values how it can be used to exploit and oppress and how it has served as a touchstone for thinking about cultural origins and historical change Encompassing the breadth and depth of modern ritual studies Barry Stephenson's Very Short Introduction also develops a narrative of ritual's place in social and cultural life

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Law: A Very Short Introduction Raymond Wacks, 2015-09-24 Law is at the heart of every society protecting rights imposing duties and establishing a framework for the conduct of almost all social political and economic activity Despite this the law often seems a highly technical perplexing mystery with its antiquated and often impenetrable jargon obsolete procedures and endless stream of complex statutes and legislation In this Very Short Introduction Raymond Wacks introduces the major branches of the law describing what lawyers do and how courts operate and considers the philosophy of law and its pursuit of justice freedom and equality In this second edition Wacks locates the discipline in our contemporary world considering the pressures of globalization and digitalisation and the nature of the law in our culture of threatened security and surveillance

Archaeology A Very Short Introduction Very Short Introductions Introduction

In the digital age, access to information has become easier than ever before. The ability to download Archaeology A Very Short Introduction Very Short Introductions has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Archaeology A Very Short Introduction Very Short Introductions has opened up a world of possibilities. Downloading Archaeology A Very Short Introduction Very Short Introductions provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Archaeology A Very Short Introduction Very Short Introductions has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Archaeology A Very Short Introduction Very Short Introductions. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Archaeology A Very Short Introduction Very Short Introductions. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Archaeology A Very Short Introduction Very Short Introductions, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect

themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Archaeology A Very Short Introduction Very Short Introductions has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
