

The background of the book cover is a mural painting in earthy tones of ochre, brown, and black. It depicts two stylized human figures. The figure on the left is shown in profile, facing right, with a large, feathered headdress and a long, thin object (possibly a staff or spear) extending from their hands. The figure on the right is also in profile, facing left, wearing a similar headdress and holding a long staff or pole. The style is characteristic of ancient Mesoamerican art, with bold outlines and a focus on symbolic representation.
