The Engineer ,1862 *The Forever Born* Christina Schlosser-Horton,2007-08 When the world was first formed the Lord and Satanel made an agreement that each would have one thousand years of dominion over the Earth Now it is the new millennium and Satanel has refused to give up his hold His decision starts an unprecedented spiritual war that could very well claim the lives of every human being on Earth unless God s warriors can stop him God sends twelve archangels to Earth in the guise of infants born to human parents thus escaping Satanel and his legions notice Their mission is to recover the gemstones originally set in the Breastplate of Aaron which were stolen by Satanel to prevent their use in battle With the arrival of Ariel the twelfth archangel the strike is ready to commence The perilous search for the jewels is fraught with danger for men and angels as they encounter physical and magical confrontations But when it is time for the final battle the denizens from the various realms of air earth fire and water join the fight to determine the fate of the world *The Angel Chronicles* the Angel Auberon, edited by Barberi P,2002-01-07 The Angel Chronicles Books I VThe Guardian Angelsby the Angel Auberon The Angel Chronicles tells the romantic tale of the beginning of human life and of the angels concern for human beings that resulted in their forming an assembly of Guardian Angels If you believe in angels all the better But even if you do not believe in angels and see them only as a symbol of beauty and perfection you will want to read this book In the context of an enchanting story beautifully told you will find many insights into human psychology and the human spirit This unusual and inspiring book is a must for everyone Hemmings P G Knight The Angel Chronicles is magic It is a small book of big believing it can change your life Micheline Renauld The Angel Chronicles Books I VThe Guardian Angels by the Angel Auberon Auberon s Words of Introduction At the very beginning God asked the Angel Auberon the most noble of the Principalities to chronicle the events of all time Auberon did as he was asked In the year 2001 Auberon requested permission to come to Earth to tell his story Auberon came to us at The White Notebook R Library entrusting us with the story he wished to give to those who lived on Earth The story he left behind is one of love and of angel beneficence It is entitled The Angel Chronicles In his book Auberon describes how the world was created how human life on Earth began and how the angels forever found ways to make a meaningful contribution to human beings We at The White Notebook felt that Auberon left us with not only his words but with a greater respect for our potential as human beings with intelligent optimism and for many of us a return to hopefulness We have listed for you below the Table of Contents and synopsis related to Book I Book I The Primary Angels The Existence of Angels God Creates the Earth Silvond Names the Constellations The Twin Angels The Assignment of Guardian Angels The Guardian Angels According to Day of Birth The Angels in Guardiance of Domestic Pets The Primary Angels God decided that the time had come to create a universe of worlds In it would be a planet called Earth God sent the angels out from their home in the beyondness for He had decided that the Earth would be sung into existence by them The angels set to begin their work Their finely feathered wings carried them in flight until they reached the center of

the vast space of time There they stopped They breathed their beautiful breaths as they looked about and considered what they were to accomplish The angels first sang into existence the planets and stars and the sun and the moon They next sang their angel music until the Earth was made All things upon the Earth the angels next sang into being the mountains and rivers and also the variety of creatures God wished to inhabit the Earth In this way the entire physical world emanated from purely spiritual beings God and His angel emissaries The angels thought they might rest But Michael the Archangel came to them in a dream to remind them that they were also to sing into life the most wondrous of all creatures the human beings The angels were astonished Nonetheless they sang the most beautiful of alleluias and human beings were brought into existence When the angels saw the first human beings walk about the Earth they fell in love It was inevitable that the angels would fall in l
