Douglas R. Thomson, 2010-05. *A Step Forward: A New Approach to Spiritualist Ideas* is a channeled book. Although not a large book, the information contained within its pages provides a surprising approach to many spiritual questions and beliefs. This book may have a huge impact on people seeking information about their spiritual path and those interested in further developing their understanding of the spiritual. The book is channeled by Douglas Thomson; however, the source of the information for this book was Doug's guide, Anthony.
