At The Back Of The North Wind:

At the Back of the North Wind George Macdonald, 2011-10-14 The unique blend of fairy tale atmosphere and social realism in this novel laid the groundwork for modern fantasy literature In the novel Little Diamond a kind and precocious boy living in poverty is befriended by the mysterious North Wind who takes him on her nightly adventures Written in intensely poetic language At the Back of the North Wind transcends the genres of children s book or fairy tale Appendices include essays on childhood by contemporaries such as John Ruskin and Charles Dickens as well as contextualizing selections from Victorian fantasy and fairy tales *At the Back of the North Wind (Musaicum Christmas Specials)* George

AT THE BACK OF THE NORTH WIND George MacDonald, 2017-03-07 At the Back of the North Wind Fairy Tales the Book for Children the best Christmas gift Here is a piece of the beginning THE HAY LOFT I HAVE been asked to tell you about the back of the north wind An old Greek writer mentions a people who lived there and were so comfortable that they could not bear it any longer and drowned themselves My story is not the same as his I do not think Herodotus had got the right account of the place I am going to tell you how it fared with a boy who went there He lived in a low room over a coach house and that was not by any means at the back of the north wind as his mother very well knew For one side of the room was built only of boards and the boards were so old that you might run a penknife through into the north wind And then let them settle between them which was the sharper I know that when you pulled it out again the wind would be after it like a cat after a mouse and you would know soon enough you were not at the back of the north wind Still this room was not very cold except when the north wind blew stronger than usual the room I have to do with now was always cold except in summer when the sun took the matter into his own hands Indeed I am not sure whether I ought to call it a room at all for it was just a loft where they kept hay and straw and oats for the horses
