Autobiography Of A Spiritually Incorrect:

Autobiography of a Spiritually Incorrect Mystic Osho, 2000 Ten years have passed since Osho prepared for his departure from the body that served him for 59 years as calmly as though he were packing for a weekend in a country This indispensable work prepared from nearly 5 000 hours of the guru's recorded talks will help readers understand a decade later the life and teachings of this unusual mystic 16 page photo insert *Autobiography of a Spiritually Incorrect Mystic* Osho, 2001-06-09 Osho is one of the best known and most provocative spiritual teachers of the twentieth century More than a decade after his death in 1990 the influence of his teachings continues to expand reaching people of all ages in virtually every country of the world Born in India in 1931 Osho first became known as a rebellious philosophy professor in the 1960s and traveled extensively throughout India giving talks debating with traditional religious leaders and introducing his revolutionary active meditation technique Dynamic Meditation In 1974 he established a center for meditation and self discovery in Pune India His work there he said was an experiment to create the conditions for the birth of a new man one who is free of all outdated ideologies and doctrines of the past and whose vision encompasses both the spiritual wisdom of the East and the scientific understandings of the West Osho is now globally recognized as one of the twentieth century's most important spiritual guides although his uncompromising approach and in your face style were often misunderstood during his lifetime He loved controversy says Aroon Purie editor of India Today He used to make all kinds of outrageous statements that would get everybody worked up People used to get upset about the messenger and forget the message Today the messenger isn't there and people are listening to the message which is something very intelligent and useful **Spiritually Incorrect** Dan Wakefield, 2012-11-01 Spirituality is full of rules You need to find your own way straight through them Will tattoos and convertibles keep you from finding true spiritual fulfillment Some people claim that you cannot truly achieve spiritual fulfillment if you're not a vegetarian Some say you'll never find the path if you don't learn yoga And some would insist that any display of vanity cosmetic surgery hair mousse is a sign that inner peace is way out of your reach With great candor and humor much of it irreverent Dan Wakefield's *Spiritually Incorrect* shows that there are as many ways to find spiritual fulfillment as there are individual seekers Part memoir part essay part whimsical illustration from his own life Wakefield's reflections break down the barriers that lie in the way of spiritual fulfillment showing you that rules were made to be broken and how it's possible and imperative for you to discover a rewarding spiritual life that fits your own personality your own path In this age of political correctness and watching what we say award winning author Dan Wakefield dares to ask the risky and sometimes hilarious questions about spirituality Why is poverty sacred wealth profane Can a coffee house be a sacred space Does yoga make you a Hindu Can a man pray in public and still be macho Does eating a steak really taint your soul Who in our lives and our modern day world deserves to be canonized as a saint Wakefield's creative exploration of these questions is a quest to free the spiritual world from pretension anxiety and the seemingly endless rules that can dictate how

you identify or don't with religion Humorous stories from his own spiritually incorrect journey to God punctuate Wakefield's ultimate revelation that spirituality is not about conforming to a set of rules but rather discovering the practices that uniquely work for you **Three Dangerous Magi: Osho Gurdjieff Cr** , *Gurus in America* Thomas A.
