Still,2015-07-09 Excerpt from Autobiography of Andrew T Still I will inform the reader at the outset that this book is written to state facts without being confined to exact dates and figures Events that have made lasting impressions on my mind stated as correctly as possible from memory are narrated here without regard to the rules of fine writing I never kept any notes of my life therefore the stories may appear disconnected When I tell you of an event it will be the truth as I remember it regardless of how it may look in print I want to avoid biography as I write for the reason that biographies are so nicely worded that the reader often has to ask whom the narrator is giving a write up Notwithstanding I am often told that I ought to get a professional biographer to write my life I have concluded to write it myself When I read about the battles of the Rebellion How Major A T Still charged on rebels with uplifted saber urging his men to victory I begin to doubt professional biographers for I know there was not a saber drawn nor was there any yelling during a hard fight of two hours duration between thirty thousand combatants on each side About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Autobiography of Andrew T.
