

"[An] existential noir with sand between its toes . . . It put me in mind of the work of Roberto Bolaño, Jim Harrison, the Coen brothers, and . . . Denis Johnson. . . . Like his narrator, [Galera] is a lover as much as a fighter, and his novel is seductive. It's got a tidal pull."

Blood Drenched Beard A Novel:

Blood-Drenched Beard Daniel Galera, 2015-01-22 From Brazil's most acclaimed young novelist the mesmerizing story of how a troubled young man's restorative journey to the seaside becomes a violent struggle with his family's past So why did they kill him I'm getting there Patience tch I wanted to give you the context Because it's a good story isn't it A young man's father close to death reveals to his son the true story of his grandfather's death or at least the truth as he knows it The mean old gaúcho was murdered by some fellow villagers in Garopaba a sleepy town on the Atlantic now famous for its surfing and fishing It was almost an execution vigilante style Or so the story goes It is almost as if his father has given the young man a deathbed challenge He has no strong ties to home he is ready for a change and he loves the seaside and is a great ocean swimmer so he strikes out for Garopaba without even being quite sure why He finds an apartment by the water and builds a simple new life taking his father's old dog as a companion He swims in the sea every day makes a few friends enters into a relationship begins to make inquiries But information doesn't come easily A rare neurological condition means that he doesn't recognize the faces of people he's met leading frequently to awkwardness and occasionally to hostility And the people who know about his grandfather seem fearful even haunted Life becomes complicated in Garopaba until it becomes downright dangerous Steeped in a very special atmosphere both languid and tense and soaked in the sultry allure of south Brazil Daniel Galera's masterfully spare and powerful prose unfolds a story of discovery that feels almost archetypal a display of storytelling sorcery that builds with oceanic force and announces one of Brazil's greatest young writers to the English speaking world Look for Daniel's new book *The Shape of Bones*

This book is about contemporary Brazilian fiction from the past two decades and concerned with the possibilities of literary intervention in the reality of the historical moment Thus an understanding of the actual role of literature is strategic in the definition of the contemporary and the book shows an optimism among current writers and artists with respect to the aesthetic ethical and political role of literature and art in the twentieth century In contemporary Brazilian prose two simultaneous ambitions are often reconciled The commitment to individual or social reality is a challenge that is assumed without thereby necessarily accepting and following the molds of the traditional search for national or cultural identities This foundation is one of the constants of contemporary prose without thereby eliminating the continuous existence of a formal experimentalism that is the clearest heir of the modernist project **The Shape of Bones** Daniel Galera, 2019-02-05

A book of visceral and tender beauty whose echoes persist long after the final page David Mitchell author of *The Bone Clocks* A coming of age tale of brutal beauty and disarming tenderness from one of Brazil's most exciting young novelists an author writing in the footsteps of Roberto Bolaño Jim Harrison the Coen brothers and Denis Johnson The New York Times A young man wakes up at dawn to drive to the Andes to climb the Cerro Bonete a mountain untouched by ice axes and climbers one of the planet's final mountains to be conquered as an act of heroic bravado or foolishness But instead

he finds himself dragged by the undertow of memory to Esplanada the neighborhood he grew up in to the brotherhood of his old friends and to the clearing in the woods where he witnessed an act that has run like a scar through the rest of his life Back in Esplanada the young man revisits his initiation into adulthood and recalls his boyhood friends who formed a strange and volatile pack Together they play video games get drunk around bonfires pick fights and goad each other into bike races where the winner is the boy who has the most spectacular crash Caught between the threat of not being man enough the desire to please his friends and the intoxicating contact high of danger the boy finds himself following the rules of the pack even as the risks mount And in a moment that reverberates and repeats itself in new ways in his adulthood his fantasies of who he is and what it means to be a man come crashing down and life asserts itself as an endless rehearsal for a heroic moment that may never arrive From one of Brazil s most dazzling writers The Shape of Bones is an exhilarating story of mythic power Daniel Galera has written a pulse racing novel with the otherworldly wisdom of a parable

Windows on the World Matteo Pericoli, 2014-11-13 Fifty of the world s greatest writers share their views in collaboration with the artist Matteo Pericoli expanding our own views on place creativity and the meaning of home All of us at some point in our daily lives have found ourselves looking out the window We pause in our work tune out of a conversation and turn toward the outside Our eyes simply gaze without seeing at a landscape whose familiarity becomes the customary ground for distraction the usual rooftops the familiar trees a distant crane The way of life for most of us in the twenty first century means that we spend most of our time indoors in an urban environment and our awareness of the outside world comes via and thanks to a framed glass hole in the wall In *Windows on the World* Fifty Writers Fifty Views architect and artist Matteo Pericoli brilliantly explores this concept alongside fifty of our most beloved writers from across the globe By pairing drawings of window views with texts that reveal either physically or metaphorically what the drawings cannot *Windows on the World* offers a perceptual journey through the world as seen

through the windows of prominent writers Orhan Pamuk in Istanbul Daniel Kehlmann in Berlin Chimamanda Ngozi Adichie in Lagos John Jeremiah Sullivan in Wilmington North Carolina Nadine Gordimer in Johannesburg Xi Chuan in Beijing Taken together the views geography and perspective location and voice resonate with and play off each other Working from a series of meticulous photographs and other notes from authors homes and offices Pericoli creates a pen and ink illustration of each window and the view it frames Many readers know Pericoli s work from his acclaimed series for The New York Times and later for The Paris Review Daily which have a devoted following Now Windows on the World collects from Pericoli s body of work and features fifteen never before seen windows in one gorgeously designed volume as well as a preface from the Paris Review s editor Lorin Stein As we delve into what each writer s view may or may not share with the others as we look at the map and explore unfamiliar views of cities from around the world a new kind of map begins to take shape Windows on the World is a profound and eye opening look inside the worlds of writers reminding us that the things we see every day are woven into our selves and our imaginations making us keener and more inquisitive observers of our own worlds
