Prince of Wolves Quinn Loftis, 2011-06-29 Jacques Pierce was just an ordinary 17 year old girl getting ready to start her senior year in high school in Coldspring Texas When a mysterious foreign exchange student from Romania moves in across the street Jacques and her two best friends Sally and Jen don't realize the last two weeks of their summer was going to get a lot more interesting From the moment Jacques sets eyes on Fane she feels an instant connection a pull like a moth to a flame Little does she know that the flame she is drawn to is actually a Canis Lupus werewolf and she just happens to be his mate the other half of his soul The problem is Fane is not the only wolf in Coldspring Texas Just as Fane and Jacques are getting to know each other another wolf steps out to try and claim Jacques as his mate Fane will now have to fight for the right to complete the mating bond something that is his right by birth but is being denied him by a crazed Alpha Will the love Fane has for Jacques be enough to give him the strength to defeat his enemy will Jacques accept that she is Fane's mate and complete the bond between them

The Burning Claw Quinn Loftis, 2016-09-10 Jacques's mind wandered as she hovered somewhere between life and death Her body longed to let go to sink into the peaceful abyss to the place where she didn't have to worry about rabid child snatching vampires and the

carnage they'd caused to so many innocent families. But something kept her here, tethered to this world, something she couldn't quite remember hovering just on the edge of her consciousness, something vital. It wasn't Fane; he would be with her on the other side, she knew that. If she died, he died too, and he wouldn't have it any other way. She could feel Peri's presence in her body. The fae was fighting, expending every ounce of her energy to keep her and Fane alive, and the strain was taking its toll on the fae. But why? Why was the fae fighting as if her own life depended upon Jacques's survival? Jacques was starting to remember someone else, someone that depended on her. A brand new life, precious and perfect, her son, Costin's best friend, lay as if sleeping, clinging to life by a mere thread held at the other end by the powerful fae. But the thread holding Costin to his own sanity was just as feeble. Sally, his world, his light, his brown eyes, the only thing that keeps the darkness at bay, was gone. Simply vanished. Costin didn't know how or where, and it was tearing him up inside. The young boy, Titus, his adopted son, was the only thing that kept his wolf from taking over completely. Costin would be strong for the boy for as long as he could, but he wasn't sure how long he could keep the feral wolf at bay. Bethany, the brave young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years, was now sharing a room with her true mate, with absolutely no understanding of what that meant. Though the girl had proven to be resilient, she had no idea how to handle her, the huge, dominating werewolf that had staked his claim on her. Drake was past the point of feral when he'd found her, and that kind of darkness doesn't let go without a fight. The strongest of alpha females, raised with a full understanding of pack law and the power of the mate bond, would have had a tough time dealing with the wolf. Bethany, a dormant who had no idea who or what she was, didn't stand a chance.
