happened I had been kidnapped Rhaim the All Beast Every mage gets one clear vision on the eve of their Ascension into their full powers right before they get the brand of their mage mark you see the thing that will cause your absolute demise Some men see snowy peaks or waterfalls others bucking horses and some lucky few see themselves with old and wrinkled hands passing peacefully in their sleep In all instances we re told the reasoning behind the visions is the same if you re strong enough to be trusted with powers then you must learn to accept the hand of fate as surely as you d earned it as your mage mark You need to know deep in your bones and now scarred on your skin that while there are things in the world you can change with your powers death comes for us all There is no amount of magic that can escape it And so when a group of soldiers brought a bound and drugged woman to my doorstep to bribe me to fight in their war and pulled the bag off of her head and I saw her there the woman from the vision at my Ascension and who has haunted my dreams ever since I knew it was the beginning of my end She had no idea who I was or what we were to each other She knew nothing about my fate or future with her or how she was destined to kill me Which meant in the present she was mine to do with as I pleased And I wanted to see her crawl
