Blue Ice Ice Series Book 1:

Fire & Ice Carolyn Miller, 2023-07-10 A delightful laugh out loud romance Susan May Warren USA Today bestselling author Hannah Wade's heart might've once been touched by a rancher's son but her real passion has always been sports. Years later when her sports career is cut short by injury and an opportunity arises to be one of Calgary's first female sports analysts she jumps at the chance. Trouble is some of the old dinosaurs she works with think she's only there to look good add ratings and stir controversy among the fiercely loyal hockey fans. She longs for the chance to prove herself so when an opportunity comes along to interview newly traded defenseman Franklin James she meets him. Or more accurately re-meets him. With disastrous effect. Growing up with three sisters means Franklin thought he knew something about women but nothing had ever prepared him for the sparkling firecracker that is Hannah. And yet her vibrant personality holds a sweetness and soft side something that draws his interest and protectiveness when an interview goes south. And there's something about her that's vaguely familiar. Can these two overcome prejudice and find a way forward? And what has faith or the lack of got to do with anything? **Fire and Ice** is the first book in the new Northwest Ice hockey romance series a sweet and swoony slightly sporty Christian contemporary romance series perfect for fans of Becky Wade Courtney Walsh and Susan May Warren. **Ice and Refrigeration Blue Book**, 1911 **Blue Ice** John U. Bacon, 2001 The games coaches and players of the University of Michigan's storied hockey program. **On Thin Ice** Lisa B. Kamps, 2016-07-25 Kenny Haskell's hard work and determination finally paid off last season when The Baltimore Banners called him up from the minors. That doesn't mean the quiet defenseman is willing to stop proving himself. Each day is a new fight a new opportunity to prove to his coaches to his team and to himself that he belongs with the Banners. Kenny is convinced he'll be able to keep his head in the game with no problems until he gets thrown out of a youth hockey game by one unforgiving ref who proves to be more of a distraction than he anticipates. Lauren Gannon approaches life with a single successful mindset take no prisoners never give up and always rely on yourself. At least that's what she likes to think. The last year has been a little different. Being saddled with her younger sister who refuses to grow up and take responsibility for anything is turning Lauren's world into one crazy disaster after another. The last thing she needs to deal with is a professional hockey player who's too attractive for his own good or for her sanity. The one thing Lauren has learned in life is to never underestimate the unexpected and falling for Kenny definitely fits into that category. Can they really be friends and lovers? Kenny does his best to prove they can. But when a sudden family obligation forces Lauren to choose between what she knows is right and what she thinks is expected will she find herself skating on thin ice and risking the happiness she really wants. **Cold Storage and Ice Trade Journal**, 1907 **Annual Report of the Auditor of the State of Ohio for the Fiscal Year Ending ...** Ohio.
