Blue Moon Jersey City:

Jersey City to Escobar's Colombia Gerard Horning,2021-10-15 It was more than shock waves that went through downtown Jersey City in the sixties and early seventies the Vietnam era Forty or more people I was familiar with succumbed to alcohol and drugs No one seemed to give any advice only do as I say No hugging no loving only surviving Parents that talk more to themselves than to us Fear despair and insecurities on my mind Never had thoughts of my future only to find out years later how things would change Colombia South America in the early nineties Was introduced to Os who changed much of Colombia and the reward for the deeds I accomplished were the most beautiful women in the world Os was a ruthless man no nonsense and on a mission to eliminate the drug lords You will not learn compassion here no pity little love I was told but my biggest mistake was love with a daughter of a right hand man of Escobar who was called El The table was always full of profiles of beautiful women I went through hundreds sometimes three a day until she came along This is not a love story This is the hardcore truth from the streets to the moto girls killers
