issues are stark at sea Historically a ship s crew is all male and although vessels are referred to as she women s contributions to sailing have been largely ignored if not actively opposed Today s sailing legends such as Tracy Edwards and Ellen MacArthur compete with men on equal terms but they stand on the shoulders of many women before them who had to challenge preconceptions prejudice and even the law in their wish to sail Spanning the 19th century to today Julia Jones dives into the lives of an array of incredible and unconventional women we meet single handed sailors wealthy explorers long suffering wives and penniless chancers with a thirst for adventure Each had to face down barriers of official exclusion family imposed restriction social disapproval and often a resulting lack of self belief In the 21st century British women wear Admiral s uniforms and break global yachting records yet their journey to professional sailing remains challenging and the public face of sailing remains mostly male evident in the lack of female Commodores in prestigious yacht clubs Even as sailing becomes more accessible the remarkable contributions within these stories are a precious source of inspiration to all women facing their own challenges today
