

Augustine A Very Short Introduction

Pung Ryong Kim

Augustine A Very Short Introduction:

Augustine Henry Chadwick, 2001-02-22 By his writings the surviving bulk of which exceeds that of any other ancient author Augustine came to influence not only his contemporaries but also the West since his time This Very Short Introduction traces the development of Augustine's thought discussing his reaction to the thinkers before him and themes such as freedom creation and the trinity ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **Augustine** Henry Chadwick, 1986 Describes Augustine's education discusses the major themes of his writings and assesses his influence on Western thought **Augustine in His Own Words** Saint

Augustine (of Hippo), 2010 Draws on the writings of Augustine to offer insight into his life as a bishop preacher philosopher and politician Augustine: A Guide for the Perplexed James Wetzel, 2010-04-09 This is a student's guide to the life and work of Augustine a notoriously challenging thinker widely read in Philosophy and Christian Theology The book provides a concise and coherent overview of Augustine introducing all the key concepts and themes and is ideal for undergraduates who require more than just a simple introduction to his work and thought On Augustine Rowan Williams, 2016-04-07 Since his retirement as Archbishop of Canterbury and his return to academic life Master of Magdalene College Cambridge Rowan Williams has demonstrated a massive new surge of intellectual energy In this new book he turns his attention to St Augustine St Augustine not only shaped the development of Western theology he also made a major contribution to political theory City of God and through his Confessions to the understanding of human psychology Rowan Williams has an entirely fresh perspective on these matters and the chapter titles in this new book demonstrate this at a glance Language Reality and Desire Politics and the Soul Paradoxes of Self Knowledge Insubstantial Evil As with his previous titles Dostoevsky The Edge of Words and Faith in the Public Square this new study is sure to be a major contribution on a compelling subject

Augustine's Apocalyptic Political Theology in the Evil Saeculum Pung Ryong Kim, 2024-09-16 Augustine's Apocalyptic Political Theology in the Evil Saeculum investigates Augustine's apocalyptic political theology under the premise that he perceived the saeculum or this age as evil Augustine views the saeculum as wicked because of the activity of the devil and demons For Augustine the devil perverted our social life and politics by mediating the false collective memory of the created world social life and politics through media such as various religious cultural liturgies and literary works In particular the demons reinforced Roman citizens amor sui amor laudis and libido dominandi by employing pagan rituals and literature that mediated the collective memory of the imperial period justifying the existence and expansion of the empire As such this book explores the socio political implications of Augustine's demonology **Reading Augustine** Jason Byassee, 2006-10-01 The Confessions of St Augustine is one of the few Christian classics that is still widely read in the secular academy Yet oddly

enough it is not often read in the manner Augustine appears to have intended and in which the church read it for centuries as a model of conversion devotion friendship and the love of God This book is a companion for any reader of the Confessions whether in an academic ecclesial or devotional context informed by the latest scholarship yet always directed toward pushing the reader with Augustine toward God **Free To Say No** Eric L Jenkins,2013-09-26 For centuries Augustine s theory of free will has been used to explain why God is not the author of evil and humans are morally responsible for sin Yet when he embraced the doctrines of unconditional election and operative grace Augustine began modifying his theory of free will His final works claim his evolved notion of free will remained consistent with his early view but this claim has provoked significant debate Some scholars take him at his word interpreting his teachings on free will in light of his later predestination teachings Others reject his claim of continuity and warn of great inconsistencies between his early and later works Few have undertaken a thorough study of Augustine s works to compare his early notion of free will with his later theory of predestination **Free To Say No** is a detailed study of Augustine s work that presents clear evidence in Augustine s own words for a significant discontinuity between his early and later theories especially the disappearance of the will s freedom to say **Bullies and Saints** John Dickson,2021-05-11 Is the world better off without Christianity Combining narrative with keen critique of contemporary debates author and historian John Dickson gives an honest account of 2 000 years of Christian history that helps us understand what Christianity is and what it s meant to be To say that the Christian Church has an image problem doesn t quite capture it From the Crusades and the Inquisition to the racism and abuse present in today s Church both in Catholic and Protestant traditions the institution that Christ established on earth has a lot to answer for But the Church has also had moments throughout history when it has been in tune with Jesus teachings from the rise of charity to the invention of hospitals For defenders of the faith it s important to be able to recognize the good and bad in the church s history and be inspired to live aligned with Christ For skeptics this book is a thought provoking introduction to the idea that Christianity is despite all an essential foundation of our civilization **Bullies and Saints** will take you on a big picture journey from the Sermon on the Mount to the modern church Giving contextual accounts of infamous chapters of Christian history such as the Crusades and acknowledging their darkness Outlining the great movements of the faith and defending its heroes and saints some of whom are not commonly recognized Examining the Church beside the teachings and life of Jesus and how it has succeeded in its mission to imitate Christ **The Catholic Church on Marital Intercourse** Robert Obach,2008-12-16 The Catholic Church on Marital Intercourse traces the development of the Church s theology of marital sexuality from New Testament times to the present day The early ecclesial leaders promoted a theology of sexuality based on Stoicism s biological perception that sexual activity was solely for the purpose of reproduction Only in the early twentieth century did a few theologians begin to move beyond discussing the purposes of marital intercourse to discussing the meaning that the marital act might have for the spouses themselves With the Second Vatican Council 1962

1965 a new and positive view of marital sexuality emerged recognizing the Pauline view that the couple's marital acts express their love for each other along the lines of Christ's love for his church Ephesians 5 In sum The Catholic Church on Marital Intercourse treats the way in which the Catholic Church has moved away from an attitude of conditional acceptance of marital intercourse on the basis of its utility to recognition that the dynamics of sexual union are both good and holy not only because that is the way children are conceived but also because the marital act enhances the love of husband and wife for each other

Augustine A Very Short Introduction Introduction

In today's digital age, the availability of Augustine A Very Short Introduction books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Augustine A Very Short Introduction books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Augustine A Very Short Introduction books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Augustine A Very Short Introduction versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Augustine A Very Short Introduction books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Augustine A Very Short Introduction books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Augustine A Very Short Introduction books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Augustine A Very Short Introduction books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Augustine A Very Short Introduction books and manuals for download and embark on your journey of knowledge?

FAQs About Augustine A Very Short Introduction Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Augustine A Very Short Introduction is one of the best book in our library for free trial. We provide copy of Augustine A Very Short Introduction in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Augustine A Very Short Introduction. Where to download Augustine A Very Short Introduction online for free? Are you looking for Augustine A Very Short Introduction PDF? This is definitely going to save you time and cash in something you should think about.
