Tal Como Pasó. Mi Historia Oficial (Austin Mahone: Just How It Happened: My Official Story) Austin Mahone,2015-11-24 Austin Mahone es un cantante estadounidense hoy mundialmente reconocido Este libro retrata c mo la vida de un chico com n que vive en un peque o pueblo de Texas cambia radicalmente La carrera musical de Austin Mahone inici desde su casa donde grababa videos con sus amigos y los sub a a YouTube Dentro de estas p ginas se documenta la mete rica carrera de Austin con profusos detalles fotograf as an cdotas y muchos secretos English Description YouTube sensation Austin Mahone describes his family life and his rise to fame telling how he got his start covering pop songs and posting them on the Internet Austin Mahone Austin Mahone,2024-09-24 The official Austin Mahone book See how Austin went from being a kid from a small town in Texas singing and having fun on YouTube with his friends to headlining his own shows around the world Complete with exclusive photos and stories from his childhood as well as lots of behind the scenes fun Austin s first official book will give you the glimpse into his life you can t get by following him on Twitter Mahomies this book is for you Austin Mahone Triumph Books,2013-07-01 Chronicling a young superstar s rise to fame this account details how Texas teenager Austin Mahone went from anonymous high school student to Billboard charter Readers learn about the early life of this budding singing sensation how he got his start covering pop songs and posting them on YouTube eventually receiving more than 100 million views and his promising future with Chase Records who recently signed him to a record deal worth more than 3 million With full color photographs and an intimate look at the life of the up and coming pop star this book is the inside source for all self proclaimed Mahomies Celebrity Morals and the Loss of Religious Authority John Portmann,2019-04-30 This book examines American popular culture to demonstrate that celebrities have superseded religious figures as moral authorities As trust in religious institutions has waned over recent decades the once frivolous entertainment fringe has become the moral center Young people and voters increasingly take cues from actors and athletes The book begins by offering a definition of celebrity and showing that the profile of celebrities has changed dramatically particularly since the 1960s They can now chart their own careers manage their own personal lives and weigh in on pressing moral issues in a

manner that hasn't always been the case. This can be to the good; it is argued for some counterintuitive reasons. Very few stars pretend to be moral exemplars unlike the frequently hypocritical elites they have replaced. Others, however, are seemingly poorly qualified to speak on complex moral issues. In the end, it also turns out that who tells us how to feel about any moral issue counts at least as much as what they tell us. This is a fresh look at the impact of celebrity culture on contemporary morality and religious authority. As such, it will be of great use to academics working in religious studies and ethics as well as popular culture and media studies.
