On Audrey Hepburn Steven Cohan,2024 Why should Audrey Hepburn still matter today This book revises the contemporary view of Hepburn that sees her primarily as a fashion icon and style guru It argues that her films more than her biography or her likeness are essential to understanding both her importance as one of the all time major stars to emerge in Hollywood after World War II and her lasting popularity On Audrey Hepburn examines her screen presence and persona while at the same time emphasizing her skill as an actress While cognizant of the many contradictions inhering in her films the book examines the liminality she represented in her comedies and musicals demonstrating how her characters desiring and intelligence supply the primary motors of the plots resist the films patriarchal template and complicate her asymmetrical casting opposite older male stars Moreover Hepburn s close relation with designer Hubert de Givenchy which established her identification with haute couture enabled her characters movement onscreen and was a basis for understanding transformation through fashion as an turning point event in the narrative which forged a pathway through spectacle for viewer identification with Hepburn s difference as symbolized by her unorthodox body which the clothes did not disguise but amplified On Audrey Hepburn finally examines her skilful performances in thrillers and dramas studying her expert timing and use of props her expressive face as it revealed interior emotions and thinking her interaction with other actors in an

ensemble and the overall nuance with which she developed complex characterizations *Encyclopedia of Hair* Victoria Sherrow, 2023-03-30 This popular volume on the culture of hair through human history and around the globe has been updated and revised to include even more entries and current information How we style our hair has the ability to shape the way others perceive us For example in 2017 the singer Macklemore denounced his hipster undercut hairstyle a style that is associated with Hitler Youth and alt right men and in 2015 actress Rose McGowan shaved her head in order to take a stance against the traditional Hollywood sex symbol stereotype This volume examines how hair or lack thereof can be an important symbol of gender class and culture around the world and through history Hairstyles have come to represent cultural heritage and memory and even political leanings social beliefs and identity This second edition builds upon the original volume updating all entries that have evolved over the last decade such as by discussing hipster culture in the entries on beards and mustaches and recent medical breakthroughs in hair loss New entries have been added that look at specific world regions hair coverings political symbolism behind certain styles and other topics **Young Adult Nonfiction** Elizabeth Fraser, 2020-03-02 Covering more than 500 titles both classics and newer publications this book describes what titles are about and why teens would want to read them Nonfiction has been the workhorse of many young adult library collections filling information and curricular needs and it is also the preferred genre for many teen readers But not all nonfiction is created equal This guide identifies some of the best most engaging and authoritative nonfiction reads for teens and organizes them according to popular reading interests With genres ranging from adventure and sports to memoirs how to guides and social justice there is something for every reader here Similar fiction titles are noted to help you make connections for readers and best bets for each chapter are noted Notations in annotations indicate award winning titles graphic nonfiction and reading level Keywords that appear in the annotations and in detailed indexes enhance access Librarians who work with and purchase materials for teens including YA librarians at public libraries acquisitions and book materials selectors at public libraries and middle and high school librarians will find this book invaluable *Revisiting Star Studies* Sabrina Qiong Yu, 2017-04-13 Challenges traditional Hollywood derived models of star studies Is classical Hollywood stardom the last word on film stars How do film stars function in non Hollywood contexts such as Bollywood East Asia and Latin America and what new developments has screen stardom undergone in recent years both in Hollywood and elsewhere Gathering together the most important new research on star studies with case studies of stars from many different cultures this diverse and dynamic collection looks at film stardom from new angles challenging the received wisdom on the subject and raising important questions about image performance bodies voices and fans in cultures across the globe From Hollywood to Bollywood from China to Italy and from Poland to Mexico this collection revisits the definitions and origins of star studies and points the way forward to new ways of approaching the field Key features Features cutting edge research on stardom and fandom from a range of different cultures contributed by a diverse and international range of scholars Generates new critical models that
