Toil & Trouble Augusten Burroughs, 2019-10-01 From the number one New York Times bestselling author comes another stunning memoir that is tender touching and just a little spooky Here's a partial list of things I don't believe in God The Devil Heaven Hell Bigfoot Ancient Aliens Past lives Life after death Vampires Zombies Reiki Homeopathy Roling Reflexology Note that witches and witchcraft are absent from this list The thing is I wouldn't believe in them and I would privately ridicule any idiot who did except for one thing I am a witch For as long as Augusten Burroughs could remember he knew things he shouldn't have known He manifested things that shouldn't have come to pass And he told exactly no one about this save one person his mother His mother reassured him that it was all perfectly normal that he was descended from a long line of witches going back to the days of the early American colonies And that this family tree was filled with witches It was a bond that he and his mother shared until the day she left him in the care of her psychiatrist to be raised in his family but that's a whole other story After that Augusten was on his own On his own to navigate the world of this tricky power on his own to either use or misuse this gift From the hilarious to the terrifying Toil Trouble is a chronicle of one man's journey to understand himself to reconcile the powers he can wield with things with which he is helpless There are very few things that are coincidences as you will learn in Toil Trouble Ghosts are real trees can want to kill you beavers are the spawn of Satan houses are alive and in the end love is the most powerful magic of all

double from Chapter Two You may not know it but you've met Augusten Burroughs You've seen him on the street in bars on the subway at restaurants a twentysomething guy nice suit works in advertising Regular Ordinary But when the ordinary person had two drinks Augusten was circling the drain by having twelve when the ordinary person went home at midnight Augusten never went home at all Loud distracting ties automated wake up calls and cologne on the tongue could only hide so much for so long At the request well it wasn't really a request of his employers Augusten lands in rehab where his dreams of group therapy with Robert Downey Jr are immediately dashed by grim reality of fluorescent lighting and paper hospital slippers But when Augusten is forced to examine himself something actually starts to click and that's when he finds himself in the worst trouble of all Because when his thirty days are up he has to return to his same drunken Manhattan life and live it sober What follows is a memoir that's as moving as it is funny as heartbreaking as it is true *Dry* is the story of love loss and Starbucks as a Higher Power

Running with Scissors Augusten Burroughs, 2002-07-26 *Running with Scissors* is the true story of a boy whose mother a poet with delusions of Anne Sexton gave him away to be raised by her psychiatrist a dead ringer for Santa and a lunatic in the bargain Suddenly at age twelve Augusten Burroughs found himself living in a dilapidated Victorian in perfect squalor The doctor's bizarre family a few patients and a pedophile living in the backyard shed completed the tableau Here there were no rules there was no school The Christmas tree stayed up until summer and Valium was eaten like Pez And when things got dull there was always the vintage electroshock therapy machine under the stairs
