interrogate and dismantle modes of difference and instead provide aspirational models of empathetic world citizenship McCulloch discusses texts such as J K Rowling s Harry Potter series Jackie Kay s Strawgirl Theresa Breslin s Divided City Gillian Cross s Where I Belong Kerry Drewery s A Brighter Fear Saci Lloyd s Momentum and Julie Bertagna s Exodus trilogy This book addresses ways in which children s and YA fiction imagines not only the nation but the world beyond seeking to disrupt binary divisions through a cosmopolitical outlook The writers discussed envision British society s position and role within a global arena of wide ranging topical issues including global conflicts gender racial politics ecology and climate change Contemporary children s fiction has matured by depicting characters who face uncertainty just as the world itself experiences an uncertain future of global risks such as environmental threats and terrorism The volume will be of significant interest to the fields of children s literature YA fiction contemporary fiction cosmopolitanism ecofeminism gender theory and British and Scottish literature

The Complete Exodus Trilogy Andreas Christensen,2016-03-07 This is the complete omnibus edition of the Exodus Trilogy which has captivated readers all over the world When an object from space threatens it becomes clear that humanity needs to reach for the stars in order to survive With just a few years warning a race against time begins to send a starship to a distant planet where the remains of humanity can survive Only a small number will be chosen and among the contenders no one but the most resourceful will stand a chance In an America turned authoritarian a small group of dissidents draw up their plans to change not this world but the next The confrontation seems inevitable but who will prevail and at what cost A world divided make their separate plans In desperate times humanity will show it s darker side and even the best of intentions can result in the worst of outcomes Will human ability for compassion and unity rise up or succumb to fear and ruthlessness under pressure And when the starship Exodus leaves for distant Aurora more than 40 light years away nobody expects this journey to end up answering some of humanity s greatest and oldest questions Who are we Are we alone Where do we come from This omnibus edition contains the complete Exodus Trilogy 1 Exodus 2 Aurora 3 Genesis Aurora Danielle Grubb,2023-02-09 Trinity Academy one of the best career schools in the United Planets is set up with three programs of training it is one of a kind But some say the school has forgotten its past and the foundation it was built on Now for the first time in many generations a student from each of the three founding families will enter school at the same time They do not know each other at first however something or someone will draw them together to save the academy Aurora does not want to go to the Trinity Academy even if they now allow girls in the protector program but when her dad is kidnapped her mom sends her there anyway Not fitting in with the other protectors Aurora finds a princess and a knight to be friends with Just like her they too seem not to fit in earning them the name of the Odd Ones Aurora and her friends do not mind the name until strange things start to happen at the academy and they are blamed for it After the start of the school year Aurora is handed a letter from her dad that he was in the middle of writing when he was kidnapped In the letter Aurora is told about a secret that is hidden in a labyrinth Aurora s dad tells her that she needs to find the labyrinth in

order to protect the Trinity Academy Aurora and her new friends along with their creatures go out to find what the labyrinth holds Even if the labyrinth holds the key to saving the academy the friends will have to navigate both tunnels and portals to find the truth Aurora and her friends will also have their academic classes to study for as well as withstanding the attacks that threaten everyone on the planet and have left some students brutally wounded [Aurora](#) ,2015 Having read the first of the trilogy I couldn't wait for number two and this doesn't disappoint Andreas is an author with great imagination and panache Highly recommended Amazon reviewConflict and resolution joy and heartbreak triumph and defeat it's all there Amazon reviewOn Aurora humanity's final outpost is headed for disaster In 2080 the starship Exodus left Earth carrying some 1600 people to give humanity a second chance Now in 2245 the colonists are trying to build a future on distant Aurora But the doomed world that sent them on their long voyage had turned authoritarian and repressive leading a small group to form a plan to let those sent on the Exodus choose a different path While Kenneth Taylor struggles to accept his self imposed silence even on the new world Thomas Dunn is slowly subverting the colonial administration Governor George Havelar on the other hand plans to make sure the mistakes of the past are not repeated as he proposes a radical plan for human expansion In the north a simmering discontent is threatening to break up the unity of the human settlement on Aurora and former scramjet pilot Tina Hammer realizes she cannot stay out of the conflict Maria Solis torn between loyalty to her father's faction and her own desires is suddenly being forced into the conflict as she witnesses a terrible crime With an entire planet to discover tensions rise as opposing forces work their plans While the leadership of the colony tries to affirm its control others are working to regain lost liberties Will humanity's final outpost survive the confrontation or succumb to destruction I can see this well imagined universe of Christensen's not ending with the third installment but instead going on for some time Amazon reviewA different type of sci fi series that I found to be well written and well thought out If you enjoy sci fi I think you will enjoy reading this series Amazon reviewThe Exodus Trilogy 1 EXODUS 2012 2 AURORA 2013 3 GENESIS 2014 Also related ALIVE an Exodus companion novella 2013 EXPLORER a Genesis companion novella 2015 RIFT book 1 of the Rift Saga 2014 **Emma of Aurora** Jane Kirkpatrick,2013-11-05 The Change and Cherish trilogy based on the true story of Emma Wagner Giesy now available in one volume A Clearing in the Wild When Emma's outspoken ways and growing skepticism lead to a clash with the 1850s Bethel Missouri colony's beloved leader she finds new opportunities to pursue her dreams of independence But as she clears a pathway West to her truest and deepest self she discovers something she never expected a yearning for the warm embrace of community A Tendering in the Storm Determined to raise her children on her own terms Emma suddenly finds herself alone and pregnant with her third child struggling to keep her family secure in the remote coastal forest of the Washington Territory As clouds of despair close in she must decide whether to continue in her own waning strength or to humble herself and accept help from the very people she once so eagerly left behind A Mending at the Edge As a mother daughter sister and estranged wife Emma struggles to find her place inside and outside the confines of

her religious community Emma reaches out to others on the fringe searching for healing and purpose By blending her unique talents with service to others she creates renewed hope as she weaves together the threads of family friends and faith

Feel-Bad Postfeminism Catherine McDermott,2022-06-02 In *Feel Bad Postfeminism* Catherine McDermott provides crucial insight into what growing up during empowerment postfeminism feels like and outlines the continuing postfeminist legacy of resilience in girlhood coming of age narratives McDermott s analysis of *Gone Girl* 2012 *Girls* 2012 2017 and *Appropriate Behaviour* 2012 illuminates a major cultural turn in which the pleasures of postfeminist empowerment curdle into a profound sense of rage and resentment By contrast close examination of *The Hunger Games* 2008 2010 *Girlhood* 2014 and *Catch Me Daddy* 2014 reveals that contemporary genres are increasingly constructing girls as uniquely capable of resiliently overcoming and adapting to unforgiving social conditions She develops an affective vocabulary to better understand contemporary modes of defiant transformative and relational resilience as well as a framework through which to expand on further modes that are specific to the genres they emerge within Overall the book suggests that exploration of the affective dimensions of girls and women s culture can offer new insights into how coming of age girlhood and femininity are culturally produced in the aftermath of postfeminism

Children's Literature in Context Fiona McCulloch,2011-09-22 *Children s Literature in Context* is a clear accessible and concise introduction to children s literature and its wider contexts It begins by introducing key issues involved in the study of children s literature and its social cultural and literary contexts Close readings of commonly studied texts including Lewis Carroll s *Alice* books *The Wonderful Wizard of Oz* *The Lion the Witch and the Wardrobe* the *Harry Potter* series and the *His Dark Materials* trilogy highlight major themes and ways of reading children s literature A chapter on afterlives and adaptations explores a range of wider cultural texts including the film adaptations of *Harry Potter* *The Chronicles of Narnia* and *The Golden Compass* The final section introduces key critical interpretations from different perspectives on issues including innocence gender fantasy psychoanalysis and ideology Review Reading and Research sections give suggestions for further reading discussion and research Introducing texts contexts and criticism this is a lively and up to date resource for anyone studying children s literature

[Climate Change in Popular Culture](#) James Craig Holte,2022-06-17 An invaluable resource for general readers investigating climate change this book examines the impact of climate change on popular culture and analyzes how writers and directors treat the disasters caused by climate change in their novels and films *Climate Change in Popular Culture A Warming World in the American Imagination* is the first study that includes analyses of both fiction and popular nonfiction works devoted to climate change In addition the book examines a number of classic works from the perspective of the growing field of climate change literature and includes a brief history of climate change science as well basic scientific definitions all intended for general readers The text provides an introduction to the science politics and economics of climate change It also includes both historical overviews and potential probable futures projected by leading climate scientists and environmental writers In addition the

text looks at how such creative writers and directors as Margaret Atwood John Steinbeck Paulo Bacigalupi Kim Stanley Robinson T C Boyle Michael Crichton and Octavia Butler among others have used the disasters caused by climate change in their work *Discourses of Postcolonialism in Contemporary British Children's Literature* Blanka Grzegorczyk, 2014-10-03

This book considers how contemporary British children's books engage with some of the major cultural debates of recent years and how they resonate with the current preoccupations and tastes of the white mainstream British reading public A central assumption of this volume is that Britain's imperial past continues to play a key role in its representations of race identity and history The insistent inclusion of questions relating to colonialism and power structures in recent children's novels exposes the complexities and contradictions surrounding the fictional treatment of race relations and ethnicity Postcolonial children's literature in Britain has been inherently ambivalent since its cautious beginnings it is both transgressive and authorizing both undercutting and excluding Grzegorczyk considers the ways in which children's fictions have worked with and against particular ideologies of race The texts analyzed in this collection portray ethnic minorities as complex hybrid products of colonialism global migrations and the ideology of multiculturalism By examining the ideological content of these novels Grzegorczyk demonstrates the centrality of the colonial past to contemporary British writing for the young
