Africa's Transport Infrastructure Heinrich Bofinger, 2011-01-01 This book will be of interest to governments in the region and to multilateral and bilateral aid and lending agencies as well as to graduate students faculty and researchers in African studies and transport studies Book Jacket Logistics Network Design in Africa Martin Kessler, 2013 *Logistics and Global Value Chains in Africa* Adebisi Adewole, John J. Struthers, 2018-08-14 Focusing on global value chains and their importance to trade this edited collection explores the strategic role of logistics and supply chain infrastructure in the development of Africa Skilled authors present critical analysis of the current state of logistics in Africa and suggest improvements to policy and practice which address the issue of poor trading relationships This book will engage entrepreneurs academics and policy makers interested in international business raising awareness of the need for better trade infrastructure in Africa in order to ensure the continent's economic development Dynamics in Logistics Michael Freitag, Herbert Kotzab, Jürgen Pannek, 2018-02-16 These proceedings contain research presented at the 6th International Conference on Dynamics in Logistics held in February 2018 The integration of dynamics within the modeling planning and control of logistic processes and networks has shown to contribute massively to the improvement of the latter Moreover diversification of markets and demand has increased both the complexity and the dynamic changes of problems within the area of logistics To cope with these challenges it must become possible to identify describe and analyze such process changes Moreover logistic processes and networks must be revised to be rapidly and flexibly adaptable to continuously changing conditions This book presents new ideas to solve such problems offering technological algorithmic and conceptual improvements It primarily addresses researchers and practitioners in the field of industrial engineering and logistics

Advances in Road Infrastructure and Mobility Amin Akhnoukh, Kamil Kaloush, Magid Elabyad, Brendan Halleman, Nihal Erian, Samuel Enmon II, Cherylyn Henry, 2022-04-21 This volume focuses on recent advances in the planning design construction and management of new and existing roads with a particular focus on safety sustainability and resilience It discusses field experience through case studies and pilots presented by leading international subject matter specialists Chapters were selected from the 18th International Road Federation World Meeting Exhibition Dubai 2021 The Infrastructured State Colin Turner, 2020-02-28 At the core of the logic of this book is that states engage in infrastructuring as a means of securing and enhancing their territoriality By positioning infrastructure as a system there is a presumption that all infrastructures exhibit some degree of mutual dependence As such a National Infrastructure System NIS is not simply about conventional conceptions of infrastructure based on those that support economic activity i.e. energy transport and information but also about broader hard and soft structures that both enable and are supported by the aforementioned economic infrastructures Consequently this book offers an ambitious holistic view on the form of NIS arguing that the infrastructural mandate requires a conception of the state that encapsulates themes from both the competition and the
