After Silence Rape My Journey Back:

After Silence Nancy Venable Raine, 2010-09-22 Silence has the rusty taste of shame The words shut up are the most terrible words I know The man who raped me spat these words out over and over during the hours of my attack when I screamed when I tried to talk him out of what he was doing when I protested It seemed to me that for seven years until at last I spoke these words had sunk into my soul and become prophecy And it seems to me now that these words the brutish message of tyrants preserve the darkness that still covers this pervasive crime The real shame as I have learned is to consent to them After Silence is Nancy Venable Raine's eloquent profoundly moving response to her rapist's command to shut up a command that is so often echoed by society and internalized by rape victims Beginning with her assault by a stranger in her home in 1985 Raine's riveting narrative of the ten year aftermath of her rape brings to light the truth that survivors of traumatic experiences know a trauma does not end when you find yourself alive Just as devastating as the rape itself was the silence that shrouded it a silence born of her own feelings of shame as well as the incomprehension of others Raine gives shape form and voice to the unspeakable and exposes the misconceptions and cruelties that surround this prevalent though hidden crime With formidable power and in intimate detail she probes the long term psychological and physiological aftereffects of rape its tangled sexual confusions the treatment of rape by the media and the legal and medical professions and contemporary cultural views of victimhood For anyone female or male who has suffered from or witnessed the shattering effects of rape After Silence inspires and points the way to healing This landmark book is a stunning literary achievement that is a testimony to the power of language to transform the worst sort of violation and suffering into meaning and into art

The Limits of Autobiography Leigh Gilmore, 2023-07-15 In The Limits of Autobiography Leigh Gilmore analyzes texts that depict trauma by combining elements of autobiography fiction biography history and theory in ways that challenge the constraints of autobiography Astute and compelling readings of works by Michel Foucault Louis Althusser Dorothy Allison Mikal Gilmore Jamaica Kincaid and Jeanette Winterson explore how each poses the questions How have I lived and How will I live in relation to the social and psychic forms within which trauma emerges First published in 2001 this new edition of one of the foundational texts in trauma studies includes a new preface by the author that assesses the gravitational pull between life writing and trauma in the twenty first century a tension that continues to produce innovative and artful means of confronting kinship violence and self representation

Surviving and Moving On Kim McGregor, 2014-01-21 This book is essential reading for any survivor of child sexual abuse female or male Many survivors of sexual abuse have not always been believed or supported through their developmental years They have had to cope on their own dealing with the aftermath of the abuse in whatever ways they could This book offers ideas and techniques for understanding and healing which adult survivors in particular may find useful It tends to be written with women in mind but much of the information and many of the exercises may be useful for male survivors as well This book will also be useful for the partners families and friends

giving support and encouragement to survivors who are healing themselves from the effects of abuse Many survivors want those around them to understand what they've survived and its effects on their life Part 1 provides information about child sexual abuse what it is why children remain silent about it some of the effects abuse can have on a survivor's life and how these can be minimised and who the offenders are Part 2 is for survivors helping them to understand and to cope with their unique experience of child sexual abuse Part 3 is specifically for supporters and caregivers of survivors

Gender Equity & Reconciliation William Keepin, Cynthia Brix, 2022-10-03 Gender equity is woefully overdue we cannot wait any longer Yet gender equity will wait just as it has for thousands of years until women and men and people of all genders co create it together One sided solutions are not enough and shame and blame will get us nowhere The new pathway to healing and creating right relations between the genders can only be forged by courageously confronting gender injustice from all sides and moving through the ensuing collective alchemy to transform gender injustice from the inside out Inspired by the principles of Truth and Reconciliation developed by Archbishop Desmond Tutu in South Africa the Gender Equity and Reconciliation International GERI process has been implemented over three decades for thousands of people on six continents Guided by the twin powers of truth and love and supported by skillful facilitation the GERI process as demonstrated in this book creates safe forums to empower the unraveling of gender and sexual conditioning with alchemical depth and acumen and initiate a whole new culture of gender relations and beloved community With contributions from dozens of GERI participants twelve distinguished world leaders in related fields and special inserts from such notable persons as Stanislaw Grof M D Jetsunma Tenzin Palmo and Peter Rutter M D this book is an invaluable resource for laypersons and professionals politicians and psychotherapists educators and religious leaders who are eager to discover new proven pathways to transform gender based conflicts and address the needs of young and old in their homes therapy practices organizations and congregations across the globe Gender Equity is the one certain step to heal humanity This book and the GERI program illuminates a path to do just that Justin Baldoni author of *Man Enough* Inspiring and intersectional approach underscores the transformative power of gender justice movements Latanya Mapp Frett President and CEO of Global Fund for Women Magnificent heartfelt healing work gifts us a map of deep positive transformation Jack Kornfield author of *A Path With Heart* A groundbreaking guide for all who want fulfilling relationships and a more caring and equitable world Riane Eisler author of *The Chalice and the Blade* and *Nurturing Our Humanity*

Gender Violence Laura L. O'Toole, Jessica R. Schiffman, Margie L. Kiter Edwards, 2007-08 The approach of the year 2000 has made the study of apocalyptic movements trendy But groups anticipating the end of the world will continue to predict Armageddon even after the calendar clicks to triple 0s A Doomsday Reader brings together pronouncements edicts and scriptures written by

prominent apocalyptic movements from a wide range of traditions and ideologies to offer an exceptional look into their belief systems Focused on attaining paradise millenarianism often anticipates great cosmic change While most think of religious belief as motivating such fervor Daniels comparative approach encompasses secular movements such as environmentalism and the Montana Freeman and argues that such groups are often more political than religious in nature The book includes documents from groups such as the Branch Davidians the Order of the Solar Temple Heaven s Gate and white supremacists Each document is preceded by a substantive introduction placing the movement and its beliefs in context This important overview of contemporary politics of the End will remain a valuable resource long after the year 2000 has come and gone

Drug-Facilitated Sexual Assault Marc A. LeBeau,Ashraf Mozayani,2001-08-28 Drug Facilitated Sexual Assault educates readers on the ways in which drugs are used as weapons in committing sexual assaults and how to successfully investigate these crimes It looks at the history of these crimes over the years and includes an in depth discussion of the drugs and drug classes in use today It describes the effects of these drugs on the victims the process for reporting these crimes details on the type of person who uses drugs to sexually assault an individual and obstacles to investigating the suspect The authors show the proper techniques in collecting and analyzing evidence ways to overcome some of the unique difficulties encountered in these types of investigations and how to work with other professionals to prosecute these cases successfully The concluding appendixes are valuable samples of the necessary forms needed to complete these investigations This book is ideal for anyone involved in investigating these crimes including forensic scientists law enforcement officers lawyers toxicologists and medical professionals Ideal for everyone involved in the investigation of these crimes including forensic scientists police officers lawyers toxicologists and medical professionals *Transforming Social Inquiry, Transforming Social Action* Francine T. Sherman,William R. Torbert,2012-12-06 John F Kerry United States Senator If we are to reinvigorate and reinforce civic participation in this country at a time when our society is increasingly fragmented and highly technologically based we must find a way to unite distinct communities such as universities regional and non profit organizations and families We must find ways to link academicians students teachers and professionals with the reality of events and circumstances so that theories and ideas mightily pursued within the ivory tower are connected to social reality and useful As the editors and contributors in this volume point out the way to bridge theory practice divide is not merely to interpret and report on circumstances of the real world but rather to deconstruct the separate and distinct communities that exist within our society and actively engage other communities to realize a continuum of mutual understanding collaboration and action It is crucial to include our nation s public schools in this new approach of social inquiry and social action Improving and creating educational opportunity for all children in the United States has been an ongoing critical federal issue We know that when children achieve in school they have a much greater chance of living healthy productive adult lives that will benefit themselves and society and we know that increasing the base of stakeholders in children s education yields those positive

results **Understanding and Healing Emotional Trauma** Daniela Sieff, 2014-11-27 Understanding and Healing Emotional Trauma is an interdisciplinary book which explores our current understanding of the forces involved in both the creation and healing of emotional trauma Through engaging conversations with pioneering clinicians and researchers Daniela F Sieff offers accessible yet substantial answers to questions such as What is emotional trauma What are the causes What are its consequences What does it mean to heal emotional trauma and How can healing be achieved These questions are addressed through three interrelated perspectives psychotherapy neurobiology and evolution Psychotherapeutic perspectives take us inside the world of the unconscious mind and body to illuminate how emotional trauma distorts our relationships with ourselves and with other people Donald Kalsched Bruce Lloyd Tina Stromsted Marion Woodman Neurobiological perspectives explore how trauma impacts the systems that mediate our emotional lives and well being Ellert Nijenhuis Allan Schore Daniel Siegel And evolutionary perspectives contextualise emotional trauma in terms of the legacy we have inherited from our distant ancestors James Chisholm Sarah Blaffer Hrdy Randolph Nesse Transforming lives affected by emotional trauma is possible but it can be a difficult process The insights shared in these lively and informative conversations can support and facilitate that process This book will therefore be a valuable resource for psychotherapists psychologists counsellors and other mental health professionals in practice and training and also for members of the general public who are endeavouring to find ways through their own emotional trauma In addition because emotional trauma often has its roots in childhood this book will also be of interest and value to parents teachers and anyone concerned with the care of children

You Are Not Human Simon Lancaster, 2018-09-11 In Nazi Germany Hitler portrayed the Jews as vermin and six million people were killed Metaphors can make the unreasonable seem reasonable the illegitimate appear legitimate and good people turn evil Top speechwriter Simon Lancaster goes on a mission to explore how metaphors are used and abused today From Washington to Westminster Silicon Valley to Syria Glastonbury to Grenfell he discovers the same images being used repeatedly Scum Bitch Vegetable Whilst vulnerable groups are dehumanised the powerful are hailed as stars angels or even gods Prepare to take a journey into the surreal This book raises profound questions about the power of language and the language of power You will never think about words in the same way again

The Top Books of the Year After Silence Rape My Journey Back The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. After Silence Rape My Journey Back : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. After Silence Rape My Journey Back : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
