Service? Learning to Advance Social Justice in a Time of Radical Inequality Alan S. Tinkler, Barri E. Tinkler, Virginia M. Jagla, Jean R. Strait, 2015-12-01 When considering inequality one goal for educators is to enhance critical engagement to allow learners an opportunity to participate in an inquiry process that advances democracy Service learning pedagogy offers an opportunity to advance engaged learning opportunities within higher education This is particularly important given the power dynamics that are endemic within conversations about education including the conversations around the Common Core charter schools and the privatization of education Critical inquiry is central to the ethos of service learning pedagogy a pedagogy that is built upon community partner participation and active reflection Within higher education service learning offers an important opportunity to enhance practice within the community allowing students to engage stakeholders and youth which is particularly important given the dramatic inequalities that are endemic in today s society

Peace and Social Justice Education on Campus Luigi Esposito, Kelly Concannon Mannise, 2015-10-28 This book provides important reflections by and for peace and social justice educators working on college campuses Importantly it also integrates the voices of students More than a feel good compilation of success stories however it illustrates the complexities inherent in teaching and learning about and for peace and social justice Chapters in the book provide critical assessments of institutions pedagogies and practices making visible the messy but very real spaces in which education and learning occur Written by faculty and students from many disciplinary areas the contributions discuss in class and outside of class actions providing a deeper understanding of best practices and challenges faced by both groups Albeit in different ways that are reflective of the many different pedagogical approaches to peace and justice education each chapter integrates ideas concepts and reflections from both faculty and students The conclusion and appendix offer recommendations for future and additional resources for college and university faculty and

students interested in learning more about peace and social justice
