Ageing And Youth Cultures Music Style And Identity:

Ageing and Youth Cultures Andy Bennett, Paul Hodkinson, 2020-05-11 What happens to punks clubbers goths riot grrls soulies break dancers and queer scene participants as they become older For decades research on spectacular youth cultures has understood such groups as adolescent phenomena and assumed that involvement ceases with the onset of adulthood In an age of increasingly complex life trajectories Ageing and Youth Cultures is the first anthology to challenge such thinking by examining the lives of those who continue to participate into adulthood and middle age Showcasing a range of original research case studies from across the globe the chapters explore how participants reconcile their continuing involvement with ageing bodies older identities and adult responsibilities Breaking new ground and establishing a new field of study the book will be essential reading for students and scholars researching or studying questions of youth fashion popular music and identity across a wide range of disciplines AGEING AND YOUTH CULTURES: MUSIC, STYLE AND IDENTITY (Relais ILL). EDS. PAUL HODKINSON AND ANDY BENNETT., *The Bloomsbury Handbook of Popular Music and Youth Culture* Andy Bennett, 2022-12-29 The Bloomsbury Handbook of Popular Music and Youth Culture provides a comprehensive and fully up to date overview of key themes and debates relating to the academic study of popular music and youth culture While this is a highly popular and rapidly expanding field of research there currently exists no single source reference book for those interested in this topic The handbook is comprised of 32 original chapters written by leading authors in the field of popular music and youth culture and covers a range of topics including theory method historical perspectives genre audience media globalization ageing and generation Routledge Handbook of Cultural Gerontology Julia Twigg, Wendy Martin, 2015-06-12 Later years are changing under the impact of demographic social and cultural shifts No longer confined to the sphere of social welfare they are now studied within a wider cultural framework that encompasses new experiences and new modes of being Drawing on influences from the arts and humanities and deploying diverse methodologies visual literary spatial and theoretical perspectives Cultural Gerontology has brought new aspects of later life into view This major new publication draws together these currents including Theory and Methods Embodiment Identities and Social Relationships Consumption and Leisure and Time and Space Based on specially commissioned chapters by leading international authors the Routledge Handbook of Cultural Gerontology will provide concise authoritative reviews of the key debates and themes shaping this exciting new field *Youth Cultures, Transitions, and Generations* Dan Woodman, Andy Bennett, 2016-04-29 Within contemporary youth research there are two dominant streams a transitions and a cultures perspective This collection shows that it is no longer possible to understand the experience of young people through these prisms and proposes new conceptual foundations for youth studies capable of bridging the gap between these approaches **Subcultures: The Basics** Ross Haenfler, 2023-06-29 Subcultures The Basics is an accessible and engaging introduction to subcultures in a global context This fully revised new edition adds new case studies and an additional chapter on the digital lives of subculturists as well as

reflections on the relationships between subcultures and globalisation and the resurgence of the far right Blending theory and practice this text examines a varied range of subcultures including hip hop graffiti writing heavy metal punk gamers burlesque parkour riot grrrl straight edge roller derby steampunk b boying b girling body modification and skateboarding Subcultures The Basics answers the key questions posed by those new to the subject including What is a subculture What are the significant theories of subculture How do subcultures emerge who participates and why How do subcultural identities interact with other aspects of self such as social class race gender and sexual identity What is the relationship between deviance resistance and the mainstream How have both progressive and reactionary subculturists contributed to social change How does society react to different subcultures How have subcultures spread around the world In what ways do digital technologies and social media influence subcultures What happens when subculturists age Tracing the history and development of subcultural theory to the present day this text is essential reading for all those studying subcultures in the contexts of sociology cultural studies history media studies anthropology musicology and criminology It pushes the field forward with cutting edge theories of resistance and social change place and space critical race and queer studies virtual participation and ageing and participation across the life course Key terms and concepts are highlighted throughout the text whilst each chapter includes boxed case studies and signposts students to further reading and resources Routledge Handbook of Youth and Young Adulthood Andy Furlong,2016-10-14 The second and completely revised edition of the Routledge Handbook of Youth and Young Adulthood draws on the work of leading academics from four continents in order to introduce up to date perspectives on a wide range of issues that affect and shape youth and young adulthood It provides a multi disciplinary overview of a dynamic field of study that offers unique insights on social change in advanced societies It is aimed at researchers policy makers and advanced students on a global level The Handbook introduces the main theoretical perspectives used within youth studies and sets out future research agendas Each of the ten sections covers an important area of research from education and the labour market to youth cultures health and crime discussing change and continuity in the lives of young people introducing readers to some of the most important work in the field while highlighting the underlying perspectives that have been used to understand the complexity of modern youth and young adulthood **Punk, Ageing and Time** Laura Way,Matt Grimes,2024-04-03 To date there has been no plotting of punk scholarship which speaks to time yet there are some clear bodies of work pertaining to particular issues relevant to it including ageing and or the life course and punk memory and or nostalgia and punk punk history and archiving and punk Punk Ageing and Time is therefore a timely pun intended book What this edited collection does for the first time is bring together contemporary investigations and discussions specifically around punk and ageing and or time covering areas such as punk and ageing the relationship between temporality and particular concepts relevant to punk such as authenticity DIY identity resistance spatiality style and punk memory remembering and or forgetting Multidisciplinary in nature this book considers areas which have received very

little to no academic attention previously **Aging and Popular Music in Europe** Abigail Gardner, Ros Jennings, 2019-07-30 Opening up the dialogue between popular music studies and aging studies this book offers a major exploration of age and popular music across Europe Using a variety of methods to illustrate how age within popular music is contingent and compelling the volume explores how it provokes curation and devotion across a variety of sites and artists who record in several European languages and genres including waltz music electronica pop folk rap and the French chanson Visiting the many ways in which age is problematized revered and performed within Europe in relation to popular music case studies analyze French touring shows of popular music stars from the 1960s Andr Rieu s annual Vrijthof concerts in the Netherlands Kraftwerk and Bj rk s appearances at renowned art museums as curated objects queer approaches to popular music space and time British folk music inheritances pan European strategies of stardom and career longevity and inheritance and post colonial hauntings of race and identity The book works with the notion of travelling across borders genres sexualities and media highlighting the visibility of the aging body across a variety of European sites in order to establish popular music through the lens of age as a positive methodology with which to approach popular music cultures and to offer a counter narrative to age as decline This book will appeal to scholars of popular music popular culture media studies cultural studies aging studies and cultural gerontology **Youth Cultures in America** Simon J. Bronner, Cindy Dell Clark, 2016-03-21 What are the components of youth cultures today This encyclopedia examines the facets of youth cultures and brings them to the forefront Although issues of youth culture are frequently cited in classrooms and public forums most encyclopedias of childhood and youth are devoted to history human development and society A limitation on the reference bookshelf is the restriction of youth to pre adolescence although issues of youth continue into young adulthood This encyclopedia addresses an academic audience of professors and students in childhood studies American studies and culture studies The authors span disciplines of psychology sociology anthropology history and folklore The Encyclopedia of Youth Cultures in America addresses a need for historical social and cultural information on a wide array of youth groups Such a reference work serves as a corrective to the narrow public view that young people are part of an amalgamated youth group or occupy malicious gangs and satanic cults Widespread reports of bullying school violence dominance of athletics over academics and changing demographics in the United States has drawn renewed attention to the changing cultural landscape of youth in and out of school to explain social and psychological problems
